Mr. and Mrs. Smith and baby daughter of W. Va., have been to visit her brother, Mr. Sidney Izlar, Mrs. Izlar and Patsy in Chattanooga, Tenn. They will visit his mother, Mrs. Sidney Izlar, Sr., here, and her mother will keep the granddaughter while Mr. and Mrs. Smith visit in the eastern part of the State.

Mr. and Mrs. Jimmy Hill and Mr. and Mrs. Harry Hill spent last Saturday in Biltmore with the latter's sister. Jimmy is spending the week with his aunt as she is not feeling well. In fact, she has not been well after a fall she had a few years ago and Mr. and Mrs. Hill spent several months with her.

Mrs. Jack Runnion, who has had double-pneumonia, is said to be feeling a little better.

Mr. and Mrs. J. B. Tweed are on their vacation the past week.

Mrs. Geo. Lippard has returned from a visit with relatives and friends at Spartanburg, S. C., and several other places. She had a most enjoyable trip of about two weeks.

Mr. and Mrs. Grover Fowler and Mrs. Lee Fowler have moved from their apartment into their new home. It had been the home of Mrs. John Howell when she lived here.

Mrs. Lee Fowler who had been on a visit, and whose health was not so good, is now able to be home again. Her friends hope she can soon be entirely well.

Mrs. Will Fleming spent a few days with her daughter, Mrs. Clark, and family last week in Asheville.

The PTA met last Tuesday and it was one of the best I think I ever attended. The old officers were nice and I feel the new ones will do a great part also. The new maps were very nice and useful, also the new atlas, and many more things the PTA grademothers and all others have made the cash possible.

The movie on India and New and Old England was so very helpful and interesting. The lunchroom bought over \$40.00 worth of new dishes, etc., and with so many helping out on so many free lunches, and the great work of Mrs. Shearouse and the other ladies, we are not in debt in the lunchroom. A number of improvements have been made on the school grounds, and last but not least, everyone here and all our friends, I'm sure, are happy to know we are to have that gym and three much needed classrooms.

The Amateur Night last Friday was a great success—nice eats, good program and such nice prizes. We had prizes for all who took a part—even for our principal, Mr. Shearouse. All who were absent missed a nice evening. The chance cake was won by Mrs. Bill Ferguson.

Mrs. Grover Long spent last weekend with her daughter, Mrs. Charles Douglas and Mr. Douglas.

The Friendship Club met Thursday at 7:30 p.m. The crowd was small due to the cold weather, but all had a nice evening. The hostesses served refreshments in keeping with St. Patrick's Day.

Mr. Weaver Harrison's garage is now in the building behind the Post Office.

Mr. and Mrs. Edd Runnion and daughter are here, awhile with his sick grandmother, Mrs. Jack Runnion and will be with her parents, Mr. and Mrs. Grover Myers.

FORD WHISPERS WHILE IT WORKS!

**AND IT
FEELS LIKE AMERICA'S
COSTLIEST CARS**

QUIET 100-h.p. V-8. It's the same kind of engine now used in America's costliest cars... yet Ford offers you this engine for hundreds less than you'd pay for most "luxes." And Ford's V-8 is "hushed"—to deliver its 100 horsepower so smoothly you can hardly hear it—even at sixty.

NEW "HUSHED" RIDE. You ride in "sound-conditioned" silence—for Ford's 13-way-stronger "Lifeguard" Body is insulated to keep noise out. You drive in quality-car luxury, too... on sparkling new upholstery fabrics over Ford's new non-sag front seats.

THE ONE FINE CAR IN THE LOW-PRICE FIELD. Nowhere on earth can you find so many quality-car features for so little money! For only the '50 Ford in its field offers you the comfort and safety of Ford's low, level "Mid Ship" Ride—cushioned by "Hydra-Coil" and "Para-Flex" Springs... 35% easier-acting King-Size Brakes... and "Finger-Tip" Steering.

There's a  in your future...with a future built in...
