Lady Involved

(Continued from Page One)
she noticed the Davis car was approaching and out of control. Davis, who was charged with driving on the wrong side of the highway, told the patrolman he had passed a tractor-trailer on the highway and had run onto the shoulder of the road, and lost control.

NEW KNIFE FOR FLYERS

Gladstone, Mich. — The Marble Arms Corporation, of Gladstone, is grinding knives for use by downed flyers.
The knives, tested by the Bureau of Aeronautics, have blades which can cut metal or other hard materials, such as the sides of a crashed plane. The knife butt is strong enough to be used as a hammer.

The Ford Motor Company invested about \$15 million in a Connecticut-sized rubber plantation in Brazil in the late 20's. They gave it up about 20 years later, when fungus diseases, labor troubles, transportation and climate made cost of production excessive.

Subscriptions In Buncombe Are Reduced

Effective January 1, 1959 the subscriptions in Buncombe County were put at same rate as those of Madison County — \$3.00 for 15 months; \$2.50 for 12 months; \$2.00 for 9 months; \$1.00 for four months.
Outside Madison and Buncombe, the rates will remain the same as at present: One Year, \$4.00; six months, \$3.00; 3 months, \$2.00.

Choral Clinic

(Continued From Page One)
members to greater enthusiasm for the finest in choral music and to inspire them to high standards of performance.

The two-day clinic will include several instruction-rehearsal sessions led by Dr. Hoffman, directors' conference, relaxation periods and entertainment. The climax will be a concert at 7:30 p. m., Feb. 7 conducted by Dr. Hoffman and including all the students attending the clinic.

The North Carolina Little Symphony, conducted by Dr. Benjamin Swain, is scheduled to give a concert at the college Saturday night, and many of the choral clinic visitors are expected to remain for the performance.

High schools which have made reservations to attend include Albemarle, Beaver Creek at West Jefferson, Canton, Central at Rutherfordton, Claremont at Hickory, Clyde A. Erwin and Lee Edwards at Asheville, Cool Springs at Forest City, Crossnore, Dallas, Enka, Glen Alpine, Hendersonville, Kings Mountain.

McKee Training School at Cullowhee, Mars Hill, Mt. Holly, Newton-Conover, North Buncombe at Weaverville, Owen at Black Mountain, Reynolds at Biltmore, Shelby, Statesville, Tryon, Troutman, Valdeese, West at Millers Creek and Wilkes Central at North Wilkesboro.

Sponsors Brown

(Continued from Page One)
the bank.

Joseph Brown is now operating a Grade A dairy on the farm of his father, Clyde Brown. In his application to attend the Short Course Joseph stated, "In the last few years farming methods have made rapid changes. In order to make the best in farming a farmer has to know and understand these changes. Being a young farmer I would like to know and understand these changes. In my opinion N. C. State would be the place to do that." During the summer of 1958 Joe decided to go into Grade A dairy farming. He consulted the agricultural agent in regard to plans on his dairy barn, silo, and dairy cattle to be used in his operation. After some planning Joe constructed a modern well-through milk parlor in which he uses a pipe line milker, stainless steel bulk tank and the most modern dairy equipment available. He constructed a 16'x40' upright silo which has a capacity of 160 tons. In order to eliminate trouble from mud and water in his barnyard Joe paved the entire area surrounding his dairy barn. During the months of September, October, November and December Joe sold an average of 13,230 pounds of milk per month. This average will be his operating base for 1959. His production is continuing to increase and during the month of January he shipped a total of 16,192 pounds of milk. In addition to the cows which he had been using in his Grade C operation Joe made a trip to Pennsylvania and purchased six nice registered Holstein heifers and also has purchased some local cows. He plans to try to use these cows for a foundation herd and increase the quality of his herd and feed program until he can ship around 30,000 pounds of milk per month. Joe is an alert young farmer trying to use the best known methods which are applicable to his farm and produce a quality milk which he is proud to sell for use by the public. During the last three health inspections of Joe's dairy operation he has received a perfect mark from the sanitation officer inspecting his dairy.

Joe stated that he certainly appreciates an opportunity to attend the Short Course in Modern Farming and feels that the sponsorship by the Citizens Bank demonstrates a desire on the part of the bank to assist in developing the agriculture of the county and shows that they have a sincere interest in the welfare of the rural people of Madison County.

The Amazon Valley has been called a "Naturalist's Paradise" with three definite layers of vegetation, 1800 kinds of fish, 700 kinds of butterflies, 8,000 varieties of trees. Of 22,708 known and classified species of plant life, 16,618 are found in this region.

Improving and Expediting the Administration of Justice have prepared as a pattern for giving the State a modern and efficient court system.

The public education work in Madison County is part of a statewide effort being made by the State Committee for Improved Courts to challenge the interest of the people in the administration of justice and obtain their support for the establishment of a judicial system which will make the courts adequate to the needs of all citizens. The State Committee is headed by J. Spencer Love of Greensboro, prominent industrialist and civic leader, as chairman and is composed of 30 lawyers and 30 laymen. They were appointed by Governor Luther Hodges. Mr. Huff was appointed County Chairman by Honorable J. Frank Huskins, Resident Judge of this Judicial District.

When he thought of those frantic people who rushed hither and yon trying to force God to do their own will instead of sitting down so God could reveal unto them His will, he wrote these words:

Take time to be holy, let Him be thy guide;
And run not before Him, whatever betide.
In joy or in sorrow, Still follow the Lord,
And, looking to Jesus, Still trust in his word.

When the four stanzas were finally complete, the poet was about as much surprised as anyone else at the beauty and simplicity of composition. And there the story would have ended had it not been for the fact that a minister questioned the propriety of permitting a soloist to sing in his Church, regardless of the fame or vocal skill or Christian consecration of the singer. When Dwight L. Moody and his distinguished singer, Ira D. Sankey, went to England for the purpose of conducting evangelistic services in the Churches of the island kingdom, Rev. Arthur A. Rees, the founder and pastor of Bethesda Chapel in Sunderland, was perfectly willing to welcome Moody as a preacher, but had some qualms of conscience about including Sankey, the singer. "Some of my people," he explained to the two Americans, "regard the pipe organ as the devil's box of whistles" and consequently they rule out instruments and solos. They insist that God can be praised only by congregational singing, even if that singing is of the poorest possible sort." When some who had been spiritually stirred by Sankey's singing suggested that the pastor, in all fairness, owed it to the musician to hear him sing what they called "a trial Solo", Rees could hardly decline.

So the English clergyman and the American singer met in the home of William Longstaff, then the treasurer of Bethesda Chapel, to undergo the minister's scrutiny and try to convince him that God could sing through Sankey as well as preach through Moody. Sankey sat at Longstaff's harmonium and, accompanying himself in a style peculiar to his genius, "passed his examination with high honors." Thus did Bethesda Chapel become the second Church in England to invite the famous team to conduct special services within its walls.

Singing Convention

These will be a singing convention of the Star Church of God Saturday night, February 7, 7:00 o'clock. All singers and the public are cordially invited to attend.

VERLON DAVIS, Chairman

Committeemen

Hot Springs News

MRS. JIMMIE ROGERS, Correspondent

Mr. Arthur Buckler of Asheville died this week. We wish to express our sympathy to Mrs. O. W. Grubbs of Hot Springs.

Mr. and Mrs. Carl Swann left Feb. 3 to spend a few days in Bristol.

Mrs. Henry Plemons has been very ill and seems to be progressing slowly.

The home demonstration club met at Mrs. Carl Swann's Jan. 22. Officers for 1959 were selected to serve until Sept. 29 of this year: Mrs. Carl Swann, president; Mrs. Hazelwood, vice president; Mrs. Bob Kirby, secretary-treasurer.

The club is planning some new projects for the coming year. They have their scrapbook up to date.

The women of the Hot Springs Home Demonstration Club would

like to invite any homemaker who is interested to come to the February meeting at the home of Mrs. Bob Kirby, Feb. 26.

The Stitch-and-Chatter Club met Feb. 2 at the home of Mrs. Carl Swann.

Mr. and Mrs. E. B. (Doc) Sumner have moved to Brevard. We are going to feel their absence in our different clubs, to which they were so faithful. They were not only faithful to their civic and Friendship Clubs, but most of all to their church.

The WMU of the Hot Springs Baptist Church will meet this Friday night at 7:30 at the home of Mrs. Roy Henderson.

On Jan. 31 the Hot Springs All Stars edged Laurel All Stars by 24-22.

IS YOUR STORAGE ADEQUATE?

In the case of every one of the grain crops on which ASC operates a price support program, the support program does not mean a thing to farmers who cannot avail themselves of adequate storage for their grain. According to E. W. Ament, of the state ASC office, this can be either commercial storage or farm storage and he says that he expects both types of storage to be inadequate to meet the needs in this state during this year's harvest.

In this connection, Ament specified the assistance which will be available through ASC county offices in helping farmers to meet these storage needs. Financial "loan" help is available to farmers which will provide up to 80 percent of the unrecouped cost of new bins. ASC county offices are also authorized to make loans to assist farmers in the purchase of drying equipment necessary to get their grain in condition for storage.

Under ASC's price support program for 1958, loans were made available on corn, oats, barley, rye, grain sorghums, soybeans, and wheat. Loan rates on these grains for 1958 were: corn, \$1.49 bushel (complying farmers in the commercial areas); oats, \$0.71 bushel; barley, \$1.05 bushel; rye, \$1.27 bushel; grain sorghums, \$1.95 cwt; soybeans, \$2.04 bushel; wheat, \$2.03 bushel.

Ament urged farmers who feel that they might need additional grain storage this year to visit their local ASC office and obtain full details on assistance which they can make available for the purchase of storage facilities.

There is one word I want to say, I want for you to hear. Don't let my children go astray, For them I pray take care.

Just one more thing I want to say, I want for you to hear, The Lord has pardoned my poor soul, And took my sins away.

I hope to gain Mt. Zion's top And rise above the sky. I hope the Lord will take my soul To a better world on high.

In Memory

OF MARTHA J. SHELTON
Who Departed This Life
February 8, 1958
Come all you mourning pilgrim friends
And listen unto me
While I relate my story through
Unto my destiny.

My dear companion, she is gone,
And I am left alone.
The troubles that my heart doth feel,
To you they are unknown.

She day before she went away,
She took me by the hand;
Saying, "husband dear, don't weep
for me;
No longer can I stand."

Eight tedious days in bed she lay
With sorrow, pain and death,
While I stood trembling by her
side
In hope that she would soon arise.

At last I saw it was in vain,
To build on such a hope.
The Lord did send His summons
down
For death to execute.

I hope the Lord will be my guide,
And my dear children, too.
And take them all to a better
world
My friends adieu.

There is one word I want to say,
I want for you to hear.
Don't let my children go astray,
For them I pray take care.

Just one more thing I want to say,
I want for you to hear,
The Lord has pardoned my poor
soul,
And took my sins away.

I hope to gain Mt. Zion's top
And rise above the sky.
I hope the Lord will take my soul
To a better world on high.
