County Convention To Be At Courthouse Here On Saturday, May 12

The first step in expanding the Democratic Party for action in the 1962 General Elections will begin in 2100 precincts throughout the state on May 5, Democrats were reminded this week by State Party Chairman Bert Bennett.

The individual county chairman will issue the call in writing to the precinct meetings announcing the hour and place. The meetings are normally held at the precinct polling place.

At the precinct meetings on May 5th, the Democrats residing in that precinct elect a five-member committee, at least two of whom will be men, and at least two will be women. The precinct committee, after their election, will select from its membership a chairman and vice chairman, one of whom shall be a woman and the other a man, and a secretary, treasurer, judge of the polls, chairman and vice chairman, and automatically members of the county executive committee.
