Use your head when you shop for a "new-size" car

The air is filled with claims about the so-called "new-size" cars—the ones that have finally caught up with Rambler Classic's size, but with little else.

Just use your head and you'll discover sizeable differences. Slide into the front seat and you'll find much more headroom in the Rambler Classic (actually more than Cadillac). Full and ample room for six big and well-padded 6-footers.

You get better performance because Rambler is abled in both horsepower and steering power. And any
