THE DEPENDABLES: SUCCESS CARS OF '64

The fuel is regular. The performance is premium.

Premium performance doesn't cost a nickle extra in a '64 Dodge. Because under that handsome hood lurks the largest standard engine in the low-price field (318 cu. in. V8). It doesn't cost you extra at the gas pump, either! Regular grade fuel suits it just fine.

Dodge is as luxurious as it is lively. The Polara 2-door hardtop above, for instance, features a rich saddle-grain vinyl interior, a comfort-providing flip-down center armrest, foam seat padding, and thick wall-to-wall carpeting—all standard equipment. Yet it's priced right with comparable models of Ford and Chevrolet.

In all, there are twenty-two Dodge models to choose from. In

three series. Each is a low-priced car. And each is backed by a long, strong 5-year/50,000-mile warranty.* You could easily pay more for such a fine automobile, but why should you? See your Dependable Dodge Dealer instead!

*HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1964 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. Repaired maintenance: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace all filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
