William S. Ebbs, 80,
Passes Sunday;
Rites Wednesday

Services for William S. Ebbs, 80, of Knoxville, a former resident of Madison and Haywood counties, who died Sunday, May 17, 1964, in a Knoxville nursing home, were conducted at 2 p. m., Wednesday in Bethel Christian Church near Bluff in Madison County. Burial was in Ebbs Cemetery.

Mr. Ebbs was a retired foreman of car inspectors for the Southern Railway and had served with the company 41 years.

Surviving are a daughter, Mrs. Raymond Anderson of Knoxville; a granddaughter of Chesterfield, Ohio; five great-grandchildren and three sisters, Mrs. Lillie Hill of Knoxville, Miss Dorothy Ebbs of Chattanooga, Tenn., and Miss Mary Ebbs of Texas.

WORRIED? NERVOUS
Over Change-of-Life?

Ease your mind. Get welcome relief with special woman's medicine

Don't dread those seemingly endless years of misery and discomfort, of sudden hot flashes, waves of weakness and irritability. There is a special woman's medicine which can relieve those heat waves, weakness, nervousness, so you can enjoy life again. So that you can once more be an affectionate wife and mother.

If you are going through the change, don't despair. Do as countless thousands of women

do—take a special woman's medicine—Lydia E. Pinkham Vegetable Compound—developed by a woman—specially to help women by relieving such functionally caused female distress.
In doctors' tests woman after woman found that Pinkham's Compound gave dramatic help to all this without costly shots. Irritability is soothed, hot flashes subside. So don't sit and brood and feel unable to help yourself. You can feel better. Get gentle Lydia E. Pinkham Vegetable Compound today.

The gentle medicine with the gentle name LYDIA E. PINKHAM

MARSHALL NIPS
E. YANCEY, 3-2

Clutch hitting by Ronnie Brazil last Thursday enabled Marshall High to turn back East Yancey, 3 to 2, in extra innings. The win was Marshall's twelfth baseball triumph in 15 games.

Buddy Ramsey, a freshman, hurled five-hit ball to notch his fourth win of the season. He has lost one.

The Marshall forces pulled into a tie in the fourth inning when, with men on second and third, Brazil slapped out a single to score both runners.

In the bottom of the eighth, after Luther Worley smashed a double, Brazil came through with a bunt single and a throwing error scored the winning run.

Glenn Banks led the losers at bat with a double and a triple in four trips to the plate.

E. Yancey 002 000 00—2 5 7
Marshall 000 200 01—3 4 0

Anderson, Laws 6 and Banks, Ramsey and Worley. Losing pitcher: Laws.

MASTODON BONES

Kamiah, Idaho — A skelton described as being "larger than that of an elephant" was recently uncovered by a Kamiah contractor, Sigurd Groves, on a hillside near here. University of Idaho's professors, after studying the bones, believe they are the remains of a "Columbian mastodon elephant."

ACP REPORTS
DUE MAY 29

Farm operators within the county who requested and secured Government cost-sharing through the 1964 Agricultural Conservation Program in performing approved soil and water conservation practices on their farms have the responsibility of carrying the practice(s) out in accordance with the minimum specifications and for filing a performance report with the ASCS office within the established report date, according to Ralph W. Ramsey, ASCS office manager for Madison County.

He further explained that cost-sharing approvals given on spring practices carry a report date of May 29 which means that farmers should complete their approved practice(s) and file their performance reports not later than this date. There are, however, occasions where the farmer is not able to timely complete approved ACP practice due to reasons beyond his control. In such cases the farmer may file a request that the time limit for completing the practice and reporting performance be extended.

In conclusion Ramsey said that a vast majority of the farmers within Madison County had been very cooperative in completing and filing timely reports on their practices and urged farmers who had not filed their reports on completed practices to file their reports by May 29.

What Really Matters

Who would ever have thought that a mouse could force a modern airline to transfer 42 passengers from one big jetliner to another sixteen-hour vacation? Well, it happened in London recently. One of the "between-flight" cleaners spotted a mouse on the New York bound jet and reported it to his superiors, with the result that the 42 passengers were transferred to a plane leaving some hours later.

The British Overseas Airways Corporation said that they were doing this to de-infest and fumigate the plane. But—de-infest and fumigate the giant plane because of one little mouse? or even a few little mice?

Well, maybe, but do you know what I think? I think they foresaw panic aboard if some of the passengers should see that little mouse while they were in flight. Women don't exactly like mice and it wouldn't be good to have them standing up on seats or rushing for exits at 30,000 feet above sea level!

Isn't it odd! They say a little mouse can scare a big elephant, human race. Comparatively little and it isn't too different with the things that frighten us so, while too often we hardly notice dangers.

The fact that "it is appointed unto men once to die," and that this can happen when least expected; the fact that after this life there will be no further opportunity to prepare for eternity; the fact that a just and holy God must judge sin. (See Heb. 9:27): These are the really important matters that so many people overlook in their mad scramble to enjoy life.

Let's get down to earth and be sensible and face the question our Lord asked in Matt. 16:26: "For what is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul?" Let's stop living for this life as if it were to end and for the next as if it were never to begin.

The Lord Jesus Christ died on Calvary to pay the penalty for our sins (1 Cor. 15:3) so that we might be saved and sure of heaven. Why not trust in Him and receive "redemption through His blood, the forgiveness of sins according to the riches of His grace" (Eph. 1:7).

Decoration

There will be a decoration at the Dry Pond Cemetery Sunday, May 24, beginning at 10 o'clock. Wayne Roberts, Clement Ball, and L. H. Kent, Committee.

Night Driving

More than half of the fatal traffic smashups in North Carolina happen when it's dark, even though a lot less driving is done at night than during the day.

The Department of Motor Vehicles tells us, for example, that of last year's 1180 death dealing accidents, 600 of them occurred after the sun was gone.

The reason should be apparent. You can't see as well at night and you must see danger to avoid it.

Drivers try to maintain daytime speed, yet even the best headlights illuminate only a fraction of

daylight seeing distance.

Night driving is more likely to result in fatigue, sleepiness and dulled reflexes.

And night is the time of social-ability which often means driving after drinking.

Slow down!

It doesn't take brains or skill to send an automobile hurtling through a tunnel of darkness. It does take brains to soberly count the hazards beyond the headlight beams and skill to be ready to meet the emergency which may loom ahead at any moment.

FRIGIDAIRE compact 30"
Range with holiday oven!

RS-30-64, 30" electric 4 colors or white

- Cook for a crowd in this big, 23-inch wide oven and bake beautifully, too, with even heat!
