Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room - THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Psalm 84: 1-8

Blessed is the man whose strength is in thee; in whose heart are the high ways to Zion. Passing through the valley of Weeping they make it a place of springs. (Psalm 84: 5-6 RV)

In any dreadful moment of my life, when struggling with some tribulation or suffering, I ask myself, "Why does God allow this to disturb my work? Am I not one of His loved ones? Did not He appoint me to be one of His workers?"

The psalmist answers, "Blessed are they that dwell in thy house: they will be still praising thee. . . Passing through the valley of Weeping they make it a place of springs."

In this sense, Christ went forth successfully to meet the demands of the cross. He passed through the valley of weeping, and He made it a well for mankind in his pilgrimage. There we drink the water of life.

In the world we have tribulation; but Christ has told us to be of good cheer, for He has overcome the world.

PRAYER: O King of glory, the Lord of hosts, help us to be patient in thought, word and deed as we walk in this world of need and want. Help us to go forth with courage in the moment of the mid-night darkness of suffering. In thy Lord's name, Amen.

THOUGHT FOR THE DAY: "Be a man of God every day."

—Teresa Shaffer (Prayer)

College Students In CP&L Summer Jobs

Fifty-six college students from 24 schools in the Carolinas are employed in a variety of summer jobs with Carolina Power & Light Company.

The jobs they hold are as varied as their major courses of study. Thirty-eight of the 1964 "class" are working toward engineering degrees. Other majors range from liberal arts to industrial management.

J. S. Newbold, CP&L personnel director, says the company's student employment program adds employees during the summer months when construction and maintenance work loads are greatest and when many regular employees take vacation.

"The program has proved beneficial to us and the students. We need the help, and they earn money to further their education while gaining valuable experience under expert supervision," Newbold says.

Included in the Western North Carolina students in the CP&L summer employee program is Jerry Ralph Briggs, electrical engineering student at N. C. State, who is employed at the Asheville Steam-Electric Generating Plant.

A FORGIVENESS THAT CAN NEVER BE RESCINDED

Centuries before Christ, the Psalmist said: "If thou, Lord, shouldst mark iniquities. . . who shall stand? But there is forgiveness with Thee. . ." (Psa. 130:3, 4).

It is doubtful whether the Psalmist understood the basis upon which a just God, through the ages, has so graciously forgiven sins, but this has since been explained in the epistles of Paul.

There we read: "GOD FOR CHRIST'S SAKE hath forgiven you" (Eph. 4:32). But this is only part of the truth, for God forgives sinners, not merely because Christ desires this, but because Christ PAID for their sins and PURCHASED their redemption. Thus Eph. 1:7 declares: "In (Christ) we have redemption, through His blood, the forgiveness of sins, according to the riches of His grace."

And thus Paul could proclaim to his hearers in the synagogue at Pisidian Antioch:

"Be it known unto you, therefore, men and brethren, that through this Man is preached unto you the forgiveness of sins:

"And by Him all that believe are justified from all things, from which ye could not be justified by the law of Moses" (Acts 13:38,39)

Obviously such forgiveness can never be rescinded, for it is based upon the full and complete payment of our whole debt of sin by "the precious blood of Christ."

Sad to say, many people do not feel they need forgiveness, for they have not seen themselves as they truly are in the sight of a holy God, but those who ARE conscious of their sin and are willing to say with the prodigal son: "I have sinned," may experience the wonderful joy of sins forgiven by faith in Christ who paid sin's penalty for us.
