Motion-picture films are changed to suit the tastes of the people and countries where they are shown Films in English-speaking countries usually have happy endings. for the people prefer them that way. The Germans like unhappy endings, and the Italians prefer the endings to be logical, whether happy or unhappy. So the ending is changed and suited to what the people want before films are released to various countries.

Dog Warden-

pair at the time the development times visited relatives in McDow fund was established. More than ell County. When he failed to re \$122,000.00 from the fund has been turn home last Friday they as

ing the past eight years, over 80 boys and girls from Madison have attended one of the 4-H camps each year.

The scholarship program has been awarding twelve \$500,00 scholarships annually to worthy 4-H club members in the state. Mike Ledford from Marshall received one of these scholarships last spring and is now a freshman at North Carolina State College. After the state quota has been reached, the number of scholarships will be increased each year.

Businessmen, 4-H club members, 4-H leaders and others in Madison County are making an effort to help the county reach its goal of \$3,863.00 this spring. The ounty has already contributed alhas \$2,400.00 of the quota to raise.
