In the absence of the president, the vice president, Mrs. John Corbett presided at the May meeting of the Marshall Book Club which met in the home of Mrs. J. L. McElroy last Thursday night.

During the brief business session the minutes of the previous meeting were read and approved. It was voted that the president appoint one member to represent the club at the organizational meeting of the county unit of the EOA.

The program of the evening was a review of "The Gospel According to Peanuts" by Robert L. Short. The book using the character of the comic strip "Peanut" as drawn by Charles Shultz, shows the close and constant parallel of mundane day-to-day living and religious concepts. At times humorous, it was most thought provoking.

HEARD AND SEEN
By "POP"

Last Friday I spent most of the day around Asheville getting some machinery fixed — had to take a motor to Fisher's Electric Shop on Weaverville Highway — enjoyed talking to "Tood" and the rest of the fellows — around noon I went to the S&W for lunch and who should be in line but Forrest Jarrett — it's been several years since I've seen him — with him was Paul Kirby, another Southern Railway executive — enjoyed chatting with them — incidentally, Paul knew Tennessee Ernie Ford quite well and it was interesting to learn a great deal about him — Forrest is back in Asheville and is tickled pink to be "back home" in the mountains — went up to the Asheville Citizen, as usual, and John Havlicek, state editor, told me a gal from Madison County was working in the library and also did some book-keeping — when we went to the library the gal, who turned out to be Sandra Payne, daughter of Mr. and Mrs. Willard Payne, was busy reading — when we got closer, it turned out that she was reading Heard and Seen in The News-Record — you can imagine her surprise and my surprise — it was nice seeing Sandra again and I hope she continues to enjoy this column — also went back to the S&W for supper and sat with Mr. and Mrs. Charles Green — met his wife, Mary — very attractive — Charles is the son of Mrs. Peggy Greene and the late George Greene, formerly of Marshall — enjoyed being with them — the members of the eighth grade at Walnut Jr. High School must be jinxed — some 90 members on two school buses started to Raleigh last week but never got there — seems that one of the buses ran into difficulty — plen-ty of difficulty — first, some careless transfer truck sideswiped the bus before getting to Asheville — fortunately, it wasn't serious — no one injured — not too much damage — after the slight scare, they proceeded toward Raleigh but near Marion the engine started acting up and before long the bus just decided to quit — so — nothing to do but pile ALL the students and teachers into one good bus and head back to Marshall — arriving about 3:30 a. m. — the kids were real good natured about it, though — maybe next time things will work out better — here's hoping — as usual, I enjoyed the Alumni Banquet last Saturday night — saw a lot of former schoolmates — the musical program, under the direction of Bill Rotan, was furnished by Mars Hill College student — good piano — good singing — Mrs. Blankenship had more students there than any other teacher — runner-up was Mrs. J. Moody (Frances) Chandler — enjoyed Supt. Edwards's progress report — the meal was delicious and excellently served by the girls — just can't understand why more former students don't attend the annual affair — congratulations to Jerry Plemmons on being elected president of the Alumni Association for next year — "Babs" Reese did a good job as president this year — surely did enjoy the trombone selections Sunday morning at the Baptist Church — wouldn't you know it — Millard and Anna Mae Tipton spent last week-end in Lancaster, S. C., at a Lancaster Motel — and who should be at the same motel but Miss America, Vonda K. VanDyke and Miss South Carolina, Sue Smith — naturally, Anna Mae (or Millard) got their autographs and even some rosebuds from their corsages — Anna Mae said she was going to bring me one of the rosebuds from Miss America's corsage — shucks, Anna Mae, I'd much prefer you bringing me Miss America.

Let's see, I lived through the Kentucky trip with my history students, cold and all! My students seemed to forget all those times I'd reminded them of my doctor bills and how uncomfortable I was with this blowing, snuffling, etc., but I guess there's no better target than the back of teacher's head, eh, Joyce? Then last week we had the junior-senior banquet. Now, there's a little event that takes a bit of time and worry. The worry part helps my weight losing, but what it does to those gray hairs on my head — I may have to join Agnes and Pearl at the hair dressers!

But, really, the banquet and prom went off beautifully. The juniors had done an excellent job in decorating the gym using the theme, "Arabian Nights;" the student speakers were excellent; the orchestra was good; and the behavior of all was exceptional. My co-workers, Mrs. Fain Sprinkle and Mrs. Willie Lewis, were just full of great ideas, and the food prepared by Mrs. Jack Lunsford and her staff was out of this world!

Then Tuesday night we had the NCEA of Madison County banquet. I had really decided, due to my cold, that I'd stay home. But here comes darling daughter with the word that she's to serve and work on some kind of "degree" that night, so here I get dressed again to do my duty by my daughter and get whatever Mrs. Robinson calls for so she can get that "degree!" It was really fun to attend the banquet and joke with those at my table; namely, Tom Wallin, Eloise Ward, Mrs. West, Mrs. Plemmons, Mrs. Thomas, Latrelle, Polly Sue, Mrs. Fowler, and others too many to name. Observed — Looking forward to the Mother-Daughter banquet Friday night — that Latrelle is a work horse and is going to be greatly missed — understand the Alumni Association gave her a gift that was richly deserved for her work over the years here — think many other groups and people should show their appreciation in some way before she leaves — went down to see Daddy over the past week-end — he isn't feeling well and I'm worried about him — our boys had a good baseball season — Buddy Ramsey and Ronnie Brazil really can pitch and hit!
