

Congratulations Wildcats!!

STATE CHAMPIONS CLASS "A" — 1965

"Although the success of the Mars Hill Wildcats is due to unselfish team effort, special praise must go to Steve Davis, diminutive right-hander who pitched TWO no-hit games in the playoffs and to Charles Tolley who pitched a no-hitter in the final game against Pantego last Friday.

"It has been a pleasure to be associated with such a fine group of boys . . . a team that remained "loose" throughout the season and a team which deserves the State Championship."

—Coach J. C. Wallin

The Mars Hill High School Wildcats

"Much credit for the success of the Mars Hill Wildcats is due to the fine training most of our players had while playing Little League baseball under the management of Bill Bennett.

"The Mars Hill Civitan Club, sponsors of Little League baseball in Mars Hill for several seasons, is to be congratulated on its part in the honors received this year by the Wildcats."

—Coach J. C. Wallin
