TWO MINUTES WITH THE BIBLE
BY CORNELIUS E. STAM, PRES. BREKID BIBLE SOCIETY CHICAGO 31, ILLINOIS

THE PURPOSE OF THE LAW
"Therefore by the deeds of the law there shall no flesh be justified in His sight..." (Rom. 3:20)
It is strange that so many sincere people can misunderstand God's written Word as to suppose that He gave the law "to help us

too look to the law for help. It is not the function of the law to help the criminal, but to condemn him. Thus the Bible teaches that the law was given:
"That every mouth might be stopped, and all the world might be brought in guilty before God" (Rom. 3:19).
"For by the knowledge of sin" (Rom. 3:20).
"The law entered that the offense might abound" (Romans 3:20).
"The sin by the commandment might become exceeding sinful" (Rom. 7:13).
"It was added because of trans-

gress" (Gal. 3:19).
This leads us to the conclusion: "Therefore by the deeds of the law shall no flesh be justified in His sight..." (Rom. 3:20).
A few good things cannot right the wrongs we have done. Good is what we should do, hence should not expect additional credit for it.
But, thank God, "Christ died for our sins" (1 Cor. 15:3) and "by Him all who believe are justified" (Acts 13:38).
"Therefore we conclude that a man is justified by faith without the deeds of the law" (Rom. 3:28).
"Believe on the Lord Jesus Christ, and thou shalt be saved." (Acts 16:31).

PLANNING BY ELDERLY PERSONS
Most persons do not like to contemplate that there may come a time when they no longer can take care of their business affairs. They know of others who have become mentally or physically deteriorated before death, but they allow themselves to be self-deluded into feeling "It can't happen to me." This can be both dangerous and costly.
Assuming that you have consulted a lawyer and have executed a valid will disposing of your property at death, have you done anything to provide for the handling of your business and financial transactions prior to death in the case you should become physically or mentally incapacitated?
It is too late to do anything

Please Sign Your Name To Articles For Publication
The management of The News-Record again cautions writers about the importance of signing their names to news articles and letters to the editor if they expect them to be published.
Recently someone wrote a news letter from a nearby town which was well-written and interesting but there was no name signed to the news letter hence it wasn't published. This is a requirement of all newspapers so that news can be verified if necessary.
