Watchmaster Timed  
30 years experience

In order for a watch to be  
correctly repaired and regu-

the Far East gives us ever in-  
creasing cause for concern, not  
only about the present but about the  
future. Communist declarations  
and manifestoes are unmistakably  
clear whether they emanate from  
Moscow, Peking, or a satellite cap-

communists is to dominate the  
Free World.

Don't let freedom die without  
a struggle. I believe the Founda-
