TWO MINUTES WITH THE BIBLE

BY CORNELIUS B. STARR, PRES. BREAM BIBLE SOCIETY CHICAGO 33, ILLINOIS

THINGS NEW AND OLD

When our Lord finished His familiar discourse on "the mysteries of the kingdom of heaven," He said:

"Therefore, every scribe which is instructed about the kingdom of heaven is like a man that is an householder, who brings forth out of his treasure things new and old" (Matt. 13:52).

A new era had just dawned in the world's history. A new message was being proclaimed. John the Baptist had begun to cry: "Repent ye, for the kingdom of heaven is at hand!" and the Lord Jesus and the twelve had taken up the same message.

Some listened eagerly, others turned away—among them many of the scribes, the Bible teachers of the day. They did not welcome any new teaching. Yet Christ's message of the kingdom is no way conflicted with the Old Testament Scriptures. Indeed, it was based on the Old Testament and confirmed by it. This is why our Lord reminded His hearers that the right kind of scribe would bring forth out of the treasure-house of Scripture, things both

new and old.

How this lesson is needed today! Some cast away treasures out of the Bible, contending that they are old and out of date. Others, while clinging tenaciously to old truths, reject new light. While mere professors of religion too often cast aside old truths with the complaint that they are outgrown, true professors often reject new light simply because it is new. They vie with each other to be orthodox instead of vying to find more light from the unfathomable Word of God.

Is it possible that we have drained the Well of Scripture dry? Are there no more stones in that exhaustless Mine? Have any of us received all the light that shines from the Holy Bible?

Then, cost what it may let's keep digging into the Scripture, that as we minister to others we may bring forth out of the Divine Treasure-house things both new and old.

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Files have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H[®]. At all drug counters.
