IN MEMORY OF FATHER'S DAY SAFELY HOME
I am home in Heaven, dear ones:
Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.

All the pain and grief is over,
Every restless toasing passed;
I am now at peace forever,
Safely home in Heaven at last.

Did you wonder I so calmly
Trod the valley of the Shade?
Oh! but Jesus' love illumined
Every dark and fearful glade.

And He came Himself to meet me
In that way so hard to tread;
And with Jesus' arm to lean on
Could I have one doubt or dread?

Then you must not grieve so sorely,
For I love you dearly still;
Try to look beyond earth's shadows,
Pray to trust our Father's Will.

There is work still waiting for you,
So you must not idly stand;
Do it now, while life remaineth—
You shall rest in Jesus' land.

When that work is all completed,
He will gently call you Home;
Oh, the rapture of that meeting,
Oh, the joy to see you come!

Mrs. Oscar Southerland
Rt. 1, Hot Springs

IN MEMORY OF FATHER'S DAY OF OUR SON,
Charles C. Southerland
who passed away December 22, 1963

Death is just another step
along life's changing way
No more than just a gateway
to a better day.

And parting from our loved
ones is much easier to bear
when we know that they are
waiting for us to join them
there.

For it is on the wings of death
that the living soul takes flight
Into the Promised Land of God
where there shall be no night.

So death is just a natural thing
like the closing of a door as
we start upon a journey to a
new and distant shore.

And now need make this
journey undirected or alone
For God promised us safe
passage to this vast and
great unknown.

So let your grief be softened
and yield not to despair
You have only placed your
loved one in loving care.

Installer-Repairman

It's always impressive when a man skilled in electronics and mechanics examines a jumble of wires, transistors and moving parts and locates the cause of a problem. At your telephone company, we have just such men. They are our Installer-Repairmen. We provide each Installer-Repairman with thorough and comprehensive training and, of course, provide him with the tools he requires. Once a new man is fully trained, he's ready to go work for our customers. And always, he's one of the most important people in our company. For it is his job to help make certain that your telephone is dependable, 24 hours a day, 365 days a year.
