

Annual Redmon Reunion

The 17th annual Redmon Reunion will be held Sunday July 22 at the usual place—the Redmon Church and Redmon Cemetery in Buncombe County. All the clan have a special invitation. If you should have any heirloom or some keepsake, handed down, such as an old pitcher, old Bible or something handmade, or any article you wish to bring, please label it. It should tell a little history, even if it is only a line or two, or more. Be sure your name is on the article, too. There will be a display table designated for this.

The program will begin at 11 o'clock, and the group picture will be made just before lunch. Singing, history, and entertainment will be continued after lunch. If you have relatives who are not on the mailing list, please contact them and tell them to come and to be sure to sign the "register" with the complete address and zip code.

Hoping to see you July 22, 1973.
Evelyn R. Davis,
Secretary

Asheville, N. C. 28806

Complete Biology Course At MHC

Kenneth Buckner of Route 3, Mars Hill, Alex Farkas of Hot Springs, a Biology teacher at Hot Springs High School; Paul R. Gunter of Route 3, Marshall, a Biology teacher at Hot Springs High School; Dearl Wallen of Route 2, Weaverville; and Larry West of Route 1, Marshall, a Biology teacher at Marshall High School, have recently completed the National Science Foundation Biological Sciences Curriculum Study Workshop held at Mars Hill College June 11 through June 29. The workshop, Implementation of Biological Science: An Ecological Approach, seeks to instruct teachers in utilizing ecological approaches in their high school classes.

Provisions Made At WCU For Teachers

CULLOWHEE — Special provisions will be made at Western Carolina University for public school teachers whose new ten-month academic year conflicts with the closing days of WCU's second summer session.

According to Dr. Jerry Rice, director of the WCU summer school, arrangements will be made within each department of the university for students to complete their courses early when it is necessary for them to report to their teaching positions before the summer session closing date of August 17.

The new policy applies only to those students who are also public school teachers. Undergraduate courses will not be affected. Dr. Rice said the starting date for the new ten-month contract period can vary from county to county, but most western counties will require teachers to begin work Aug. 13.

He said his office is working on a 1974 summer school calendar that will take into consideration the ten-month public school academic year. The new calendar should be announced later this summer, he said.

Returns Home

Miss Linda Gail Fisher, daughter of Mr. and Mrs. James Fisher of Marshall, returned to her home last week after being a patient in Memorial Mission Hospital following injuries received in an automobile accident.

Savings Bonds

Sales of Series E and H Savings Bonds in Madison County during May were \$12,841. January-May sales totaled \$78,208. This represents 6 percent of the County's goal of \$121,000, according to C. L. Riddick, Jr., County Veterans' Chairman.
