# Moonshiners Lose, 14 - 8; Homecoming Here Saturday

The Central Madison Moonshiners fell to defeat at the hands of the Weaverville Eagles this past Saturday night, 14-8. The game was played at North Buncombe in a constant downpour of rain which held back many potential scoring threats. After falling behind 14-0

early in the game, the Moonshiners completed two long passes from Randy Hodge to Gene Clark and from Hodge to Bobby Jack Chandler with the second completion striking paydirt. The conversion run by Hodge was perfectly executed and the halftime score read 14-8. The second half was encompassed by great defense by both teams with most of the half being played between the 30 yard lines. Defensive standouts were Bobby Jack Chandler, Gene Clark, Randy Hodge, Barry Chandley, Tommy DuVall and Scott Duncan. The only scoring threat came late in the game by the Moonshiners. However, time ran out with the Central

Moonshiners losing 14-8. A queen will be chosen with contestants being Paula Boone, Denise Deal and Annette Sams. Gametime is 7 p.m. with homecoming ceremonies and the half.

Madison team only a few yards short. This Saturday the youngsters will have a homecoming game with Red Oak on the island in Marshall.

A queen will be chosen with contestants being Paula Boone, Denise Deal and Annette Sams. Gametime is 7 p.m. with homecoming ceremonies and the half.

# No REAP Cost-Sharing On Winter Cover Crops

Last December 22 the Rural Environmental Assistance Program (REAP) was terminated. Since no funds were allocated for administering this program for 1973, there is no cost-sharing available to farmers for fall seeding of vegetative covers including

winter cover crops. This announcement was made today by Nila Mann, Acting Executive Director for Madison County.

Mrs. Mann urged farmers to examine their needs and although no government cost-sharing is available to farmers the protection winter cover crops give are most important in protecting and preserving our soil from wind and water erosion.

She concluded by saying that cover crops also give extra benefits in grazing if properly managed.
