Pacer is here!

See it at your AMC Dealer today!

Ten good reasons to buy Pacer, the first wide small car:

1. Pacer is the first wide small car. (Wider than Chevelle, Duster, Nova—even Granada!) You'll notice a big difference in room, ride and handling compared with conventional small cars.
2. Pacer's got an economical 6-cylinder engine and a 22-gallon gas tank. That's larger than any small car—so you can go a long way between fill ups.
3. Pacer is wider than any other small car so you get an unusual amount of room. In fact, Pacer gives you more leg room, front and rear, than the two-door Torino or Fury.
4. Pacer's passenger door is 3 1/2 inches wider than the driver's. So you can get in and out of the back seat that much easier.
5. Pacer's sloping hood, wide windshield and wrap-around rear windows give you room with a view. More visibility, in fact, than any other American-built sedan—large or small!
6. Pacer's wide stance and isolated suspension give you an incredibly smooth and stable ride.
7. Pacer's hatch opens wide and the rear seat folds down. This gives you lots of wide-open cargo space.
8. Pacer's quick, precise steering, and wide stance makes it steer and handle like a sports car.
9. Wide, wide coverage. Pacer is backed by all the benefits of the exclusive AMC BUYER PROTECTION PLAN.™
10. Pacer Price \$3299*
