

### County Fair At Westgate This Week

A display of the arts and crafts of the mountains of Western North Carolina will be shown at the Westgate Shopping Center in Asheville this Friday, Saturday and Sunday. The event is being sponsored by the High Country Crafters of Madison, Buncombe and surrounding counties.

Displays will be open from 10 a.m. to 6 p.m. Friday; 10 a.m. to 10 p.m. Saturday, and 12 noon to 6 p.m. on Sunday. The public is invited.

### Mars Hill Plans Fourth Celebration

Saturday, July 3, will be a day for celebration in Mars Hill.

The Lions Club, Civic Club, and Fire Department have worked hard and come up with a day of fun to celebrate our nation's birthday.

Beginning at 2 p.m. the fun starts with a Little League All-Star game at the Mars Hill Elementary School ball field. The wagon train will arrive at about 3:30 p.m. There will be a dinner served in the school cafeteria from 5 until 7:30 p.m.

There will be music by "Turkey Branch Junction" from 6:30 until 10 p.m. at which time the big event shoots off with a bang "FIREWORKS."

Everyone is encouraged to come out and have a good time and celebrate a very special Fourth of July.

The highest average annual growth rate in the gross national product (GNP) came in 1940-41 when it reached 16.1 per cent. The next highest was 15.8 per cent for 1921-22.

### July 25 starts farm safety week

The week of July 25-31 has been proclaimed National Farm Safety Week by President Gerald R. Ford. The theme of this year's observance sponsored by the National Safety Council and the U.S. Department of Agriculture is "Educate for Safety." This marks the 33rd consecutive observance of an annual safety event that began during World War II in an effort to promote safety consciousness and reduce costly accidents that cut agricultural productivity.

Accidents in 1975 claimed the lives of approximately

5,360 farm residents and caused about 500,000 disabling injuries, according to the National Safety Council. More than half of the deaths occurred in motor vehicle accidents. About one-fourth of the deaths and 140,000 disabling injuries were caused by farm work accidents. The cost of farm accidents, including farm fires, is estimated at \$3 billion annually.

Secretary of Agriculture Earl L. Butz said: "American farmers pride themselves in being safety-minded and safety-motivated. They are

both the teachers and the taught. They are the parties at risk when accidents occur and they know it."

"Agricultural safety education involves person to person training in a work situation. It requires a teacher aware of hazards and an attentive learner to whom example is more effective than written text. Safety education pays off by preventing human suffering and economic loss. The best instruction, however, is meaningless unless farmers and their families remain constantly alert."

Farmers should train their

families and workers and show them how to do each job safely. Supervise the worker until he can manage the work with competence and safety. Read and heed the instruction manuals and product labels. Educate today and prevent accidents tomorrow.

To honor the 50th anniversary of Svalbard becoming a part of its country, Norway has issued three new stamps. Svalbard is the name of the Arctic islands, sometimes called Spitzbergen, which became part of the Norwegian realm in 1925. The 100-ore olive stamp shown Temple.

Katharine Ann High, daughter of Dr. and Mrs. Thomas High, of Mars Hill, is serving as a Canteen and Handcrafts worker at Camp Mundo Vista, Asheville. Miss High, a student in Hillcrest School, Nigeria, Africa, will work with girls ages 9 to 17 in the 11-week summer camping program. Camp Mundo Vista is owned and operated by the Woman's Missionary Union of the Baptist State Convention.

### Fly The Flag

(Flag Etiquette)

There is no Federal law now in force concerning the manner of displaying, hanging or saluting the United States flag, but there are certain fundamental accepted rules.

The flag should be displayed only between sunrise and sunset or between such hours as may be designated by proper authority. It should be displayed on national and state holidays and on historic and special occasions. Among important "don'ts" in flag etiquette are:

1. Don't show or permit disrespect to be shown to the flag.
2. Don't place any object on or above the flag, with the possible exception of the Bible.
3. Don't fasten the flag so carelessly that it will be easily torn.
4. Don't use the flag as drapery in any form. It should not be used as part of a costume or an athletic uniform or draped over any part of an automobile, boat or railroad train.
5. Don't use the flag for any kind of advertising.
6. When an old flag is discarded, it should be destroyed in private by burning.
7. Don't use a flag when it reaches a state of despair; when it is no longer a fitting national emblem, it should be disposed of in a dignified way, as above.
8. The only flag permitted to be flown above the United States flag is a church pennant. Advertising flags should not be flown on a pole from which the United States flag is displayed.

### Mars Hill Youth Day Thursday

In line with a calendar of events that has been publicized for some time now by the Bicentennial Commission a Youth Day will be observed July 8, from approximately 11 a.m. until 3:30 p.m. at Mars Hill Elementary School.

All youth can have a good time on this day with the various games and activities that have been planned. Two Little League games are scheduled later in the afternoon and evening.

The Mars Hill Youth Program will be selling hot dogs and hamburgers during the day and at the Little League games.

### Little League Results

For week of June 21

Three games were played last week in the Madison County Little League 11-12 year old division. Results were: Marshall 21, Laurel 5; Hot Springs 22, Walnut 8; and Walnut 8, Laurel 5. In a game that went 8 innings.

In the 8-10 year old division Marshall defeated Hot Springs by the score of 9 to 6.

Marshall is in first place with 8 wins, no losses; Hot Springs is in second place with 4 wins and 3 losses; Walnut and Laurel are tied for third place with 2 wins and 3 losses each.
