## Judith Grenell Will Give Piano Concert

Pianist Judith Grenell will present her final concert in a series of three she has been doing under the sponsorship of the Toe River Arts Council for the benefit of arts education in Mitchell and Yancey Counties. She will play at 3:30 p.m. at the Presbyterian Church in Burnsville on Sunday, Nov. 13. For her final program Judith Grenell has chosen pieces from a variety of musical periods in history. The major work comes from the romantic era and established the composer as the foremost composer of the time. Robert Schumann's "Carnaval, op. 9" was composed during the carnival season of 1835. It is recognized as the outstanding composition of the era, "the cornerstone of Romanticism."

For further information about the concert contact the Toe River Arts Council at 745-2652 or 682-7215.

## Walnut School Has Fall Festival

The Walnut School will hold a fall festival from 6 to 10 p.m. Nov. 16 featuring entertainment, good food and a tempting variety of prizes. The proceeds from the festival will be invested in playground equipment for the school. Entertainment will be provided by three local groups, including gospel and country music. There will also be a "womanless wedding" performed by Mrs. Robinson's seventh- and eighth-grade classes. Fair-goers will find all manner of mouth-watering refreshments, a full array of games, a country store, cake walks, door prizes and a disco room, where there will be a disco contest. Two kings and two queens will be crowned that night. Prizes to be awarded include a blender, circular saw, drill, blanket, flashlights and many more. Come on out, try your luck and enjoy yourself.
