Marshall Man Jailed In Hit-and-Run

Lloyd Stines of Marshall was arrested Nov. 28 and charged with hit-and-run driving following an accident in Hot Springs.
The accident victim, Clifford Welch of Strawberry Plains, Tenn., was reported to have suffered a broken leg, lacerations of the face and body, and possibly other injuries. He was taken to Memorial Mission Hospital in Asheville.
According to Madison County Sheriff E.Y. Ponder, the accident occurred beside Anderson Motor Sales in Hot Springs, at the edge of Highway 25/70. At the time, Welch, a driver for an oil company in Knoxville, was delivering a load of fuel.
Just as he was finishing the job, a car owned by a friend of Stines, and allegedly driven by Stines, was traveling north on 25/70. The car swung out to pass another car, and in doing so it went out of control, skidding sideways and striking the truck and Welch. Welch, who had been preparing to leave, was knocked underneath the truck and severely injured.
Stines was named by eyewitnesses as the driver of the car, arrested, and taken to Madison County Jail.

Farmers Should Report Any ACP Aid

Several farmers in the county have received assistance through the Agricultural Conservation Program (ACP), which is the responsibility of the ASCS Office to administer. The latest report date set by the ASCS County Committee for farmers to report performance is Dec. 31, 1979, according to W.B. Zink, Executive Director for ASCS in Madison County.
If for reasons beyond the control of the farmer the practice has not been completed and reported, they may request the County ASCS Committee to carry the practice over to the next calendar year, 1980, so they may have time to use the material and report performance on the practice.
Reported practices are subject to spot check by a representative of the ASCS Office, so care should be taken to complete the practice according to program requirements, pasture and hayland which has been seeded or topdressed using ACP funds must have the vegetative cover maintained at no expense to the government for a period of five years after the year cost-shares were used. This means that the area seeded or improved can not be plowed up.
Any questions about this program may be directed to the ASCS office, which is open Monday thru Friday from 8 a.m. to 5 p.m. except holidays.

Scouts To Sell Christmas Trees Dec. 8

Marshall Scout Troop 522 will begin their Christmas tree sale Dec. 8 on the Marshall bypass.
The trees they have to offer are of very fine quality having been grown by an agricultural doctor specifically for Christmas trees.
The trees will be sold at comparatively low prices. All the money from the sale will go to the troop for the activities the boys have planned for next year, including summer camp. The sale will continue up to Christmas.
