Injury Ends Tammy Brown's Career

Former Madison High School standout Tammy Brown will not be able to play college basketball, it was announced last week.

Brown, a 6'2" center, was signed to a full scholarship by Western Carolina University earlier this year. WCU coach Judy Stroud said the

former Lady Patriot captain has been advised to give up basketball by her physician.

The doctor advised Brown give up basketball after discovering she has rheumatoid arthritis in both her knees. Coach Stroud expressed disappointment at the an-

ouncement, saying, "We are certainly sorry to be losing someone of Tammy's ability."

Brown led the Lady Patriots to the Ivy Conference championship in her junior year and compiled a 19.4 pt. and 15.4 rebound average in her senior season.

She was named to both the West Coaches All-Star and White All Star squads this season.

She is now expected to attend Asheville-Buncombe Tech College.

Equal Housing Opportunity

Before you buy your home, take a closer look at our FirstRate Mortgage.

Look before you leap into what appears to be a low-interest mortgage loan. Monthly payments on such loans may be attractive in the first year, but after that, escalating interest rates could send them right through the roof.

That's why we encourage you to come into First Union for a thorough discussion of home financing in general and for a look at the advantages of a FirstRate Mortgage. A few of its benefits are highlighted here, but the way to determine what's best for you is to come in, sit down and talk.

our interest rates are based on an index that allows you to take advantage of reduced interest costs when rates decline.

A great way to finance your second home.

Whatever your style—a chalet in the mountains or a place at the beach—FirstRate is a great way to get just what you want in a second home.

The Tiller That's Really a Walk-Behind Tractor (BCS)

BCS tillers do a lot more than till. Because the tiller unit can be replaced by a lot of other implements. Like the snow blower. Or a lawn mower. Or a sickle-bar cutter. And it only takes a few minutes to make the change. But you really have to see it to appreciate it. Come in and check out this mechanical masterpiece. Ask to see the BCS in action.
