

Athletes Advance In Junior Olympics

Four area athletes recently competed in the state level of the Junior Olympics, held at N.C. State College in Raleigh June 19-20.

Winning a bronze medal for placing third in his age group in pole vaulting was Stacy Ramsey, a sophomore at North Buncombe High School.

He is the son of James A. Ramsey of Eller Cove and the late Sharon Nor-

ton Ramsey, former residents of Madison County.

Also competing at the state level was Keitha Tinsley, daughter of Mr. and Mrs. Keith Tinsley of Weaverville. Keitha is a junior at North Buncombe who took third place in the young woman's high jump contest.

She also took second in the 400-meter hurdles and third in the 100-meter hurdles. This is Keitha's

second year to make it to advance past the state competition.

Heather McClellan, daughter of Mr. and Mrs. Bruce McClellan of Weaverville, placed fourth in the 100-meter hurdles.

Grayson Bell, son of Mr. and Mrs. Joe Bell of Weaverville, placed second in both the shot put and discus contests.

These students all qualified for the

southeast regional competition, to be held July 10-11 in Raleigh. The competition will include athletes from North Carolina, South Carolina, Virginia, Georgia and Florida.

If any of the athletes advance from the regional competition by winning a first, second, or third place, they will be eligible to participate in the national competition to be held in Provo, Utah.

Sportsmen License Fee To Increase

North Carolina sportsmen have until the end of June to buy lifetime licenses at current prices.

The price for the lifetime sportsman's license for North Carolina residents will increase from \$300 to \$500 effective July 1.

Applications for these licenses may be obtained by calling the N.C. Wildlife Commission's license section at 733-7896 or writing to the Commission at 512 N. Salisbury St., Raleigh, N.C., 27611. Applications may also be found in the "Wildlife in North Carolina" magazine. They must be postmarked by midnight June 30 to

get the licenses at current prices.

Because of a delay in license printing this year, persons who fish in North Carolina's inland waters will get a grace period from July 1-31 before they're required to have their 1987-88 licenses.

Annual hunting and fishing licenses are normally issued for a period beginning July 1 and expiring June 30 of the following year.

Persons who do not own an annual license, but who usually buy a daily or three-day license will not be required to carry a license to fish until the new licenses are available at local agents on Aug. 1.

The cost of the trip is \$5 for foundation members and \$15 for non-members. The trip is open to the public.

For more information, or to register for the trip, call the foundation office at 252-1097.

Correction

Neighbors In Need, a Madison County agency, has spent \$13,770.30 on assistance to families and individuals, not \$3,770.30 as reported last week.

The telephone number of Carolina Wilderness Adventures, a Hot Springs white water rafting outfitter, was incorrectly listed in last week's "Mountain Getaway" supplement. The correct number is 622-3535.

The News Record regrets the errors.
