He is still farming and is making a success of it.

Congressman H. L. Godwin returned Tuesday night to Washington after spending a few days here with his family. Mr. Cannady is an expert tobacco grower and the purchase of this property will give him an opportunity to show the people of this section how to make money growing tobacco. **BOOK CLUB**

The Book Club met with Mrs. H. O. Mattox last Thursday afternoon at 3:30 o'clock.

President, Mrs. Townsend opened the meeting with a request that we change club day from Thursday to Wednesday in order that it would not conflict with the Red Cross work. This was voted on and approved.

The following programme was enjoyed:

Subject: "The Wars of Independence"—"Bolivar, the George Washington of the Northern States", by Mrs. Hicks. "San Martin, the Leader from the South" "Revolutionary movement in Spanish North America." "Conflict of ambitions among the leaders, by Mrs. Freeman. "The crossing of the Andes by Bolivar and San Martin compared with the crossing of the Alps by Hannibal and Napoleon." Leader Mrs. Clifford.

During this programme the knitters accomplished quite a bit for the soldiers.

A delicious salad course and coffee was served.

Mrs. Mattox guests were: Mesdames Charles Highsmith, Granville Tilghman, J. W. Whitehead, Ellis Goldstein, L. F. Hicks, Horace Freeman, N. A. Townsend, Jack Lee, Lloyd Wade, R. L. Godwin, J. C. Clifford, and J. W. Thornton.

**HIT BY AN AUTOMOBILE**

Jane, the three-year-old little daughter of Mr. and Mrs. H. H. McKay, was struck by an automobile in front of their home on North Wilson Avenue yesterday afternoon which was being driven by Bud Williams. The child's skull was fractured in two or three places and she was taken to a hospital in Fayetteville where she was operated on last night and is reported as resting well today.

It seems that the little girl had started across the street, being unaware of the car which was approaching just a few feet away. The driver realizing that he would run into her if he continued in the direction he was going, applied his brakes and turned across the street. The front of the car missed the child but she ran into the rear of it, her head striking the hinge on the back door

which knocked her unconscious.

Little Jane is one of most popular of the little girls of the town and has hosts of friends who hope that her recovery will be complete.

**ANNUAL MEETING OF THE STATE BANK & TRUST CO.**

The annual stockholders meeting of the State Bank & Trust Co., was held in the bank's offices last Monday morning. A large majority of the stock was represented in person and the meeting was a most interesting one. The annual report of the president, H. L. Godwin, showed that the bank had made wonderful progress since its re-organization nine months ago, its resources at this time being three times larger than when the bank passed into the hands of the present organization. The report also showed that the bank's deposits had grown in proportion to its resources and that it showed signs of progress in every way.

At the meeting it was decided to increase its capital stock to \$25,000 to enable it to meet the demands of its customers. Formerly the capital stock was only \$15,000. A 5 per cent dividend was declared, which brought the total dividends paid during the past nine months up to 8 per cent, 3 per cent having been paid in July.

For the ensuing year the following directors were elected: Mr. D. Holliday, Walter Jones, R. L. Warren, M. C. Butler, E. H. Fubanks, J. E. Crook, R. L. Godwin, T. V. Smith and H. L. Godwin. The directors then elected the following officers: H. L. Godwin, President; R. L. Godwin, Vice-President; T. V. Smith, Vice-President and Cashier.

**Book Club**

The Thursday Afternoon Book Club held a very instructive meeting Jan. 10 with Mrs. Clarence Smith as hostess.

The subject for the afternoon was "The Causes of the Latin-American Revolt from Spain."

Mrs. Smith read an interesting paper on "Causes of Discontent in the Colonies."

"Effect of Napoleon's Interference in Spain and Portugal" was read by Mrs. Mattox. "Sources and Nature of Revolutionary Ideas: from France "from the United States," "from England;" by Mrs. Jack Lee.

All those who were not on the programme were requested to bring their knitting and in this way "do their bit for the soldiers."

Mrs. Smith served at the conclusion of the afternoon a dainty salad course and coffee. Guests besides Club members were Mesdames Ernest Jeffreys and L. J. Bost.

**RED CROSS NOTES**

We have had placed in our work room a bill board on which will be posted instructions and important news items from time to time.

In accordance with new regulations of our Knitting those knitting for our Red Cross are required to turn in the garments from their first lot of wool before they can secure a second lot.

The knitted washcloths are to be made 10 x 10 inches and of white ball thread, which can be secured at several of our stores. It is branded "For Red Cross washcloths". One ball knits one washcloth. These balls are 2 for 25 cts, and supposed to be purchased by those who knit them.

Mrs. H. O. Mattox has been made Secretary of the wool committee. She will keep the ledger for distribution of wool and receipts of garments made therefrom, and is to be assisted when needed by Miss Sally Purdie and Miss Viola McNeill.

We are making an effort to fill our next box with sweaters, socks and bandages. We are hoping a good number will be present and on time each work afternoon to do that part of this work accomplished at the work-room.

Sheriff W. H. Turlington will be in Dunn tomorrow (Saturday) for the purpose of collecting taxes. He can be found at the State Bank & Trust Company building. The sheriff states that he is anxious to close up the taxes here and hopes all the tax payers, who have not paid already, will see him Saturday and settle. All taxes are now past due.

Miss Ethel Bailey spent Sunday in Raleigh with relatives.
