NEED SIX BILLION TO CARRY ON WAR

Sec'y McAdoo Fires First Gun in Campaign For Fourth Liberty Loan

APPEALS TO THE RICH

Admits Unpatriotic People Who Induce Exchange of Liberty Bonds For Other Securities.

New York, Sept. 24.—Six billion dollars is the minimum amount which the people of the United States are asked to subscribe for the Fourth Liberty Loan, according to an announcement by Wm. G. McAdoo, Secretary of the Treasury, in a stirring address here tonight outlining the government's plan for the campaign which starts Saturday.

The share allotted to New York Federal Reserve District is \$1,800,000,000 or 30 per cent of the great loan yet offered. The loan, which will bear 4 1/4 per cent interest, will run for 30 years, maturing October 15, 1938, unless the government should exercise its reserved right to redeem the bonds on or after October 15, 1933.

Wealthy Should Be More Liberal

Asserting that, without this vast sum, "we cannot lick the Kaiser," the Secretary made a special appeal for the subscriptions of corporations and wealthy individuals, as returns from the Third Liberty Loan indicated that wealthy corporations and persons of large means had not responded "commensurately with their abilities to help." He pointed out that of the 18,000,000 Americans who subscribed for the last loan, only 22,500, including corporations, bought bonds in excess of \$10,000.

"It would be preposterous," he said, "to say that there are only 22,500 men, women and corporations in America able to lend more than \$10,000 each to their government in Liberty bonds."

Practice of "Swindlers"

Mr. McAdoo also condemned the practice of "swindlers and unscrupulous holders of Liberty Bonds to exchange them for stocks or investments of doubtful value." He pointed out that these operations forced the Treasury to buy the bonds thus thrown upon the market, in order to protect the market and the credit of the government.

Applauded by a crowd which filled Carnegie Hall, Mr. McAdoo said in part:

"The Treasury of the United States asks the American people to subscribe to the Fourth Liberty Loan \$6,000,000,000. This money is needed to carry on the war. We cannot lick the Kaiser without it. We cannot restore peace to the world and re-establish liberty and democracy without it."

Much Constructive Work

"The huge amounts expended by America in this war are not wholly used for destructive purposes. Great sums are used for constructive work which will be of permanent value to the American people."

The great merchant marine which, he said, on completion, will be the largest, most efficient and modern merchant fleet in the world, is cited as one constructive use to which Liberty Loan money will be put.

For the fiscal year, 1919," he said,

"It is probable that \$5,000,000,000 to \$9,000,000,000 will represent loans to the allied governments, and expenditures for ships, ship yards, docks, wharves and other facilities which will be salvaged to the American people."

Everybody Should Buy Bonds

Asserting that "everybody should buy bonds," Mr. McAdoo continued: "Wages and salaries are higher in America today than ever before in its history. Every dollar saved now and invested in Liberty Bonds will be worth much more when peace comes again."

"I was asked not long ago what arguments could be made for the fourth Liberty Loan, I replied immediately 'Perishing and our heroes in France. No other argument is necessary."

Autocracy Doomed

"Who is not thrilled by what Pershing and his glorious men have done already upon the field of battle. These untrained freemen of democracy have met the veteran fighters and the best trained soldiers of autocracy and have vanquished them, not by foul means, but by fair fighting. They have already demonstrated that the doom of autocracy is sealed and the day of reckoning near at hand."

What we must do in America is to keep the pressure high. Now that we have the Kaiser and his brutal hordes on the run, let us not relax effort but intensify effort. That is the way to win surely and quickly. That is the way to eliminate the Rhine; that is the way to open an American parade on Unter den Linden."

ROAD WILL LINK CAMPS

Construction Planned for Direct Highway Between Raleigh and Fayetteville

Raleigh, Sept. 21.—Before DeWitt C. Colvin, Raleigh, and Fayetteville via Fayetteville, N. C., and Linden, N. C., will be a direct highway. This modern and direct highway was assured at a meeting held here in the court house this afternoon at which were delegations from the counties of Wake, Harnett and Cumberland. The delegations were of one accord, enthusiastic and determined, and lost no time in forming the LaFayette Road Association and perfecting plans to make the project a reality.

The following compose the executive committee of the association: J. Scale Johnson, of Wake; J. W. Halford, of Harnett, and W. M. Walker, of Cumberland. This executive committee is composed of the chairman of the committee named by the county delegations. The committee, representing each town and township through which the road will pass, are as follows:

Cumberland: W. M. Walker, T. J. Purdie, John C. Adams, W. E. Honeycutt.

Wake: Raleigh, A. H. Mooneyham; St. Mary's Township, George R. Parker; Swift Creek township, Dr. J. J. C. Cullers; Middle Creek township, J. Besse Johnson; Fuquay Springs, A. G. Elliott.

Harnett: Lillington, J. W. Halford; A. A. McDonald, J. C. Thomson; Stewart's Creek, J. C. Byrd, C. M. Allen, J. M. Hodges; Nell's Creek township, John S. Green, A. S. Johnson, F. H. Taylor; Hector's Creek township, W. L. Senter, O. Brady, D. H. Senter.

These committees will appear before their respective boards of county commissioners the first Monday in October for the purpose of getting the officials to take immediate steps to put the highway into first-class condition immediately.

CLASS ONE MEN MUST BE INDUCTED AS PRIVATES FIRST

May Then Become Candidates for Commissions in the Army

Washington, Sept. 25.—Physically fit men between 18 and 45 years of age who are placed in Class One by local draft boards, or who would be so placed except for occupational deferment, cannot become candidates for commissions in the army until they have been inducted into service as privates, under rulings of the adjutant general made public today and superseding previous orders on the subject. Registrants placed in the sub-division of class one reserved for limited or special service, however, may be commissioned direct from civil life, and no barrier interposed to the commissioning of men direct from civil life, providing their local boards have given them deferred classification on dependency grounds.

Mr. Gilmore Granted Leave

Sanford, Sept. 25.—The Sanford Baptist church has granted its pastor, Rev. Walter M. Gilmore, a leave of absence to do the publicity work of the million-dollar campaign, which the Baptists of the state are now engaged in for their educational institutions. While Mr. Gilmore will make Raleigh his headquarters during the campaign, his family will remain in Sanford, and he will fill his regular appointments here on Sunday.

A FOURTH LIBERTY LOAN SUGGESTION

Washington, Sept. 21.—Thomas A. Edison has suggested that every letter written in the United States during the next five weeks shall close with the words "Yours for the Fourth Liberty Loan."

The suggestion has been adopted by the Liberty loan committee, and is being sent broadcast throughout the country.

For every person, business firm, or corporation follows the suggestion, the postoffice department estimates the slogan "Yours for the Fourth Liberty Loan" will be uttered more than 19,000,000 times every 24 hours.

MAXIMUM PRICE OF BREAD

Raleigh, Sept. 25.—Effective immediately, the maximum retail prices of bread have been fixed at 10 cents for one-pound loaves and 15 cents for one and one-half pound loaves, according to an announcement made today by State Administrator Henry A. Page. These maximum prices are fixed for either cash and carry or credit and delivery and will be enforced in each state in the Union. They have been established by Federal Food Administrator Herbert Hoover after exhausted investigations of manufacturing costs and wholesale and retail prices.

The investigations have shown that 8 and 12 cents for the two sizes are considered fair wholesale prices in some sections and where these prices obtain, retail prices of 9 cents for pound and 14c for pound and a half loaves will be enforced.

Bar Barbarism by buying Bonds.

Save for your Country or Save for the Hun.

ROAD TRAVELER DIES

Seapoint County Negro Fatally Shot by Officers.

Fayetteville, Sept. 21.—Alexander Colvin, colored, charged with failure to register for the selective draft, died in the Cumberland county jail last night after being twice shot by United States Deputy Marshal Bailey and George W. Jones, deputy sheriff, while resisting arrest by the federal officers in Sampson county yesterday afternoon.

Colvin, who also went by the name of Johnson, failed to register on September 12 and was caught in the slacker roundup. He preferred to fight the officers of the law rather than the Huns, and attacked Deputy Jones with a knife inflicting several minor cuts before he fell the claws of the selective draft. Both shots took effect in the body.

Jones is a Cumberland county deputy sheriff who was deputized by the Deputy Marshal to assist in the hunt for Colvin. The negro was brought to bay just on the other side of the Sampson county line.
