SALESROOM AT GEO. E. PRINCE AND SON'S STORE

**NOTICE OF SALE**

By virtue of the authority conferred by a Decree of the Superior Court of Harnett County issued on September 12, 1919, in the special proceeding entitled "In re Estate of George W. Doughton, and others," the undersigned Commissioner will on Monday, the 2nd day of November, 1919, at 12 o'clock M. expose to sale at

public auction, to the highest bidder, at the Courthouse door in Lillington, North Carolina, the following described lands, to-wit:

Beginning at a stake in the original line 5.03 chains from the Southwest corner of the original tract (Chitwood McNeil's corner), and runs thence South 89 East a new dividing line 20.45 chains to a stake in another of the original lines; thence North 21 1/2

E. 1.80 chains to a stake; thence North 57 1/2 W. 16.30 chains to a stake; thence S 73 1/2 W. 11.30 chains to a stake; thence S 1 1/2 W. 5.25 chains to the beginning, containing 12 1/2 acres, more or less, less one acre conveyed to A. G. McLean, and also less 4 acres conveyed to Toby Mandy, said conveyances being evidenced by deeds appearing of record.

The terms of the sale will be one-half cash upon confirmation by the court, and the balance within twelve months, the deferred payment to be secured by a first lien on the lands and to draw interest at six per cent. The successful bidder will be required to deposit ten per cent of his bid pending confirmation by the court. This the 25 day of September, 1919.

N. A. TOWNSEND,  
Commissioner.

**"BRINGING UP FATHER" TO BE AT FAYETTEVILLE THEATRE**

What promises to be an event of unusual importance and hilarity is the announcement of the coming of "Bringing Up Father in Society," the latest Gus Hill production based on the popular cartoons of George McManus. This is the next attraction at the Lafayette Theatre, Fayetteville, Monday, Oct. 6th, with the usual matinees.

In extolling the numerous virtues of this unique concoction of mirth, joy, gladness, happiness, melody and song, the fact must not be forgotten that it is an entertainment created on lines seldom presented to an acting public. It has been aptly described as a "show that is different" and the commendation, judging by the wonderful success it has attained where ever presented, seems more than justified.

Those who revel in coming in close proximity with all the favorite characters of this most amusing of newspaper comics should not miss "Father" this season. He has much to do in his new environment and "Society," it appears, has taken him to its arms like the proverbial prodigal son of yore. The new production in three acts and employs a cast of over forty people.

Mr. Carr, of Pitt County, Grow Clover This Year in Spite of Years of Failure.

Failure in clover raising is not always the fault of the farmer. There are successful and unsuccessful methods. Mr. S. A. Carr of Farmville, N. C., (Pitt County) had a unique experience. His letter throws some light on the safest, surest and most economical method of securing a good stand. His letter is interesting: Farmville, N. C., May 21, 1917. Gentlemen:

I bought two acres of your clover for crimson clover last September and used the same according to instructions, and am pleased to state that I have received very satisfactory results thereon. I beg also to state that I have an arched previous crop of clover, but have always failed until I used NITRA-gum. NITRA-gum has my highest recommendations for clover growing in the South.

In conclusion I beg to say that I never intend to try to grow clover without the use of NITRA-gum. (Signed) S. A. CARR. NITRA-gum has produced similar records for thousands of farmers, not only in making successful stands of clover, but also vetch and alfalfa. NITRA-gum clover planted in your cotton alleys after the last working

# INTER-COUNTY FAIR

DUNN, North Carolina

OCTOBER 14 to 17 Inclusive

for

Sampson, Johnston, Cumberland and Harnett

THE AGRICULTURAL FAIR ASSOCIATION invites you to the Inter-County Fair to be held at Dunn October 14, 15, 16 and 17. It has provided for you the premier attraction of its kind in North Carolina. No county fair of the State can equal its many excellent features designed especially for the pleasure and entertainment of you and the thousands of others who are to come to Dunn during fair week—no other can equal in exhibits those to be staged by the farmers of the four counties in the association's district. No expense has been spared in equipping the fair grounds. The plant ranks with the best and most modern in the country. There are some larger but none better. The race track ranks as the best in North Carolina and will be used by some of the fastest horses in the Carolina Circuit. The grandstand, stages, stock pens, exhibit halls, etc., are among the largest in the country and are designed especially for the convenience of exhibitors and visitors.

In addition to the many exhibits to be staged by farmers and industrial men, the association has arranged with the proprietor of one of the largest collection of shows in the world to bring his attractions to the fair grounds for all four days of the fair. These shows are the best ever seen in this part of the country and will line almost the entire distance of the midway.

Four mammoth free attractions, numbering a high-diver, a grand opera singer and two troops of aerialists, have been engaged to entertain the crowds twice every day.

We are anxious to welcome you to our fair. We desire to show you just how much Dunn thinks of the friendship you have always had for it. We are arranging to entertain you well and comfortably. Be sure to meet with us on this occasion when we make our debut into the Carolina Fair Circuit. You will be pleased.

For premium lists and other information apply to

## Agricultural Fair Association.

of cotton will be ready when the cotton is picked. It is excellent for grazing and hay and builds the soil. NITRA-gum seed which when planted with oats and rye makes the very best feed. It will double your yield and build your soil. Vetch stubble when turned under is equal to 700 lbs. of good grade fertilizer per acre. NITRA-gum alfalfa is sure of a good stand and 4 or 5 crops per year without cultivation. It is a wonderful land builder. In planting this fall inoculate your seed with NITRA-gum and be sure of a good stand. It improves your crop and land. For free book No. 38E address NITRA-gum, Savannah, Ga.

**TAR HEEL DRIVER IS HELD IN RICHMOND**  
First Arrest Made in Connection With Virginia-Carolina License Dispute

Richmond, Va., Sept. 30.—The first arrest in connection with the Virginia-North Carolina automobile license dispute was made today when A. F. Mayo, of Goldsboro, who said he was in the home-trading business in South Carolina, was arrested by the police and held for trial October 2.

Six Ford automobiles bound for North Carolina, the engine numbers of which are alleged to have been obliterated, were captured in West Broad street this morning by Traffic Officer Crawford and interned at the city hall. Six or seven men in charge of the cars were arrested and later released on bail. The automobiles were Pennsylvania, Virginia and North Carolina license tags.

**Automobile Accident in Smithfield.**

Smithfield, Oct. 1.—An automobile accident, which resulted in the slight injury of two persons, occurred at the railroad crossing at the station here Sunday night. C. F. Jones and his family were returning home from church, when, after stopping and listening but hearing no train, a through freight struck his car as he attempted to cross the track. The car was derailed along the track for 30 yards. It caught fire when it was struck and was burning rapidly when the five occupants extricated themselves. The car is a total wreck and the wonder is that only two persons, received slight injuries.

**President Wilson Improves**  
Washington, Sept. 30.—President Wilson, whose illness took a turn for the better yesterday, continued to improve, today under the rest cure prescribed by his physician. After the first good night's rest he has had since he was taken ill the President was up most of the day and was permitted by Dr. Grayson to give his attention for a short while to pressing executive matters. He signed several minor bills and resolutions, sent some nominations to the Senate, and dictated a few letters.

**NO STRONGER EVIDENCE CAN BE HAD IN DUNN**  
Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement.

W. B. Jackson, retired merchant, 402 E. Broad St., Dunn, says: "I had a dull aching in my back and I was sore and stiff. I also had headaches and dizzy spells and my kidneys acted irregularly. I heard about Doan's Kidney Pills and bought some at Wilson & Lee's Drug Store. They gave me relief, strengthening my back and benefiting me in every way." (Statement given June 20, 1914).

On July 8, 1918, Mr. Jackson said: "I never miss a chance to recommend Doan's Kidney Pills, for I know they are a fine kidney remedy. I still use them occasionally as I need them and they always fix me up in fine shape." Price, 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jackson had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

**BROADWAY LOOKS FOR WET SPELL BEFORE LONG DROUGHT**

New York, Sept. 30.—Acting, it is said, on one of Broadway's famous "rumors" that within a week President Wilson would cast war-time prohibition into the discard by proclaiming demobilization completed, New York liquor dealers began today "stocking up" for a brief "wet" period until next January. With huge quantities of bonded whiskey arriving here from Kentucky, restaurants and saloons began enrolling bartenders and waiters previously "laid off."
