

Look! Here is the globe spread out flat before your eyes. See those stars? Every star shows where a U. S. Navy ship was on September 1st, 1919. The Navy travels the seven seas.

Don't you want to see the World?

ROMANCE is calling to you! Strange and smiling foreign lands are beckoning to you. Shove off and see the world!

Learn to "parley-vo" in gay Patee. See the bull-fights in Panama. See surf-riding on the beach of Waikiki.

Learn the lure that comes with the swish and swirl of the good salt sea. Eat well—free; dress well—free; sleep clean—free; and look 'em all straight in the eye—British, French, Chinese, Japanese, Spaniards, Egyptians, Algerians and all manner of people.

Come! Be a real man of the world. See the world. See it with

the red-blooded, hard-working, hard-playing men of the U. S. Navy.

Pay begins the day you join. On board ship a man is always learning. Trade schools develop skill, industry and business ability. Thirty days care-free holiday each year with full pay. The food is good. First uniform outfit is furnished free. Promotion is unlimited for men of brains. You can enlist for two years and come out broader, stronger and abler.

Shove off—Join the U. S. Navy. If you're between 17 and 35 go to the nearest recruiting station for all the details. If you don't know where it is ask your postmaster.

Shove off! -Join the U. S. Navy

WEEKLY NEWS LETTER FROM THE UNIVERSITY

Chapel Hill, Oct. 8.—Attendance figures at the University of North Carolina have passed all records. A total of 1,234 students have registered for the opening of the 1919-20 session, of whom 72 are freshmen. Notable increases besides the freshman class are in the law school, in the pre-medical group, and in the new school of commerce, and a large number of men who were in the army and navy have returned to take up their interrupted work.

In formally opening the University President Chase, just beginning his first year as president after ten years of service in the faculty, called on the students to retain and develop a strong spiritual life in a State which he said was entering upon a period of rapid material growth.

He said, "You will be called upon to live in a commonwealth which is now undergoing and in all human probability will continue to undergo for many years an enormous material growth and enrichment. You will do this not only as a citizen of North Carolina but as a member of the highest goal of a true democracy."

October 12, University day, the 126th anniversary of the laying of the cornerstone of the Old East building, will be celebrated this year in exercises at Chapel Hill and in a series of alumni meetings in cities all over North Carolina. Efforts are being made to have meetings in every county and arrangements have already been completed by local alum-

ni in Charlotte, Greensboro, Wilmington, Raleigh, Durham, Tarboro, New Bern, Wadesboro, Mt. Airy, umberton, Laurinburg, Statesville, Fayetteville, Salisbury, Monroe and Washington.

At Chapel Hill the Hon. Francis D. Winston of Louisville, a member of the class of 1879, will make the annual address in Memorial hall. President Chase will attend meetings at Greensboro, Durham and Raleigh. Prof. M. C. S. Noble will attend the Wilmington meeting and Dr. Joseph Hyde Pratt will be at Charlotte.

Occupying the center of interest of the alumni at these gatherings will be progress of the fund for the Graham Memorial building, which the alumni have undertaken to raise in memory of the late Edward Kidder Graham. The sum of \$150,000 will be raised for a building which will be the center of all student activities and a general social gathering place for the University.

Two Negroes Lynched.
Montgomery, Ala., Sept. 29.—Two negroes, Miles Pflizer and Robert Crosby, the latter a returned soldier, were taken from Montgomery county officials about five miles from this city and lynched this afternoon. The negroes were being carried to the State prison at Wetumpka for safe keeping when a masked mob of about 25 men held up the automobile in which they were traveling, forced the officers to lay down their arms, and then led the negroes about 100 yards into the woods and opened fire on them with shotguns and pistols. Both negroes were charged with criminal assault on a white woman.

St. Louis, Sept. 30.—Financing of the cotton crop by the banks in the southern cotton growing states and pathizers attempted to break through the guard of police.

Tampa, Sept. 30.—Conductor Ray Butts, of the Atlantic Coast Line, was shot and fatally wounded by a negro at Palatka this morning. The conductor surprised the negro and three other blacks in an effort to break into a car.

Chicago, Sept. 30.—A clash between a crowd of 2,000 strike sympathizers and several scores of police and special deputies was threatened tonight at the Waukegan plant of the American Steel and Wire company, when 300 workers at the plant came off duty. The trouble started, it is said, when one of the strike sympathizers attempted to break through the guard of police.

Figures compiled by the Bureau of Internal Revenue show that the taxes to be collected from incomes and excess profits for this fiscal year will total about four and a half billion dollars. Collections to date aggregate \$8,839,950,612 from all revenue sources. Of the excess profits and incomes there has been collected only about \$2,590,008,702 thus far. The law allows payment in four installments, if desired. Only two of such payments have fallen due. It is estimated there is about \$2,000,000,000 yet to be collected from this source in the payments which fall due September 15, and those falling due on December 15, 1919.

What the modern young girl needs is an old time big brother. There is just one way to progress and that is to go forward.
