CONTINUE OPERATION OF MINES PENDING WAGE ADJUSTMENT

New York, March 29.—The senate committee of the bituminous operators and mine workers, in a joint conference here this afternoon, agreed to make the monetary provision contained in the award of the bituminous coal commission, as affirmed by the President, to become effective on April 1 and that the mine contracts in operation, pending the working out of a new agreement. The award provided for a wage increase of 27 per cent.

RALEIGH MAN AWARDED BIG CONTRACT AT DUNN

Contracts totaling \$200,000 have been awarded to R. Ashby, a Raleigh contractor, for the construction of 50 miles of highways radiating from Dunn. The roads will be of clay gravel type and when completed will give that section of Harriet county a splendid system of roads. Three main roads will be built, leading from Dunn to the Cumberland line, the Johnson county line and to the Sampson county line. Work will be started immediately. The engineer in charge of the work will be Mr. W. T. Smith.
