Roger Brooks, who has been em-oyed here for several monlas as a typer of college lar. ouyer of cotton for Johnson Broth probably will return next season to engage in the same business. Brooks made many friends while in Dunn and the community generally regrets

The Home Economics Department of the woman's Crub will meet in the rooms or the Coamber of Commerce Friday atternoon at 2 o'clock.

A silver tes will be served on this occasion and the proceeds from it will be devoted to the purchase of new equipment for the department's kitchen. All women of Dunn are invited to attend this meeting.

Willie Fowler, of Duke, was fined in police court Monday morning when he was heard on a charge of having cut a tent used by a carnival on the outskirts of town. The carnival had been operating in peace for near-ly a week until, it is said by the po-lice, Willie and his crowd decided to suliven things a little. After the tent was slashed the carnivalities closed the

Ell Jackson was arrested here Sat-urday night by Policeman Page on an old warrant charging him with having operated a liquor still. Ac-cording to the police a still was found in a tunnel leading from Jack-son's smoke house about a year ago. The warrant was issued at that time, the warrant was issued at that time, but it was not until Saturday that Jackson could be found. He was re-leased under bond for his appearance in police court here Thursday morn-

N. A. Townsend, who is represent-ing Harnett in the lower house of the General Assembly, was here Sun-day to visit his family. Mr. Townsend lay to visit his family. Mr. Townsend as recently introduced a road bill which will have a wonderful effect upon Harnett county's road activities in the event it is adopted. The full axt of this bill is printed in this issue. Final action is being held in beyance until Mr. Townsend can sern the will of the people. Next riday has been set as the day on which complaints or recommendations may be heard.

may be heard.

Dr. D. W. Duniels, professor of English in Clemson College, S. C., has accepted the invitation extended by the Chamber of Commerce to speak here on the night of March 14. Dr. Duniels is an organization enthusisst and is ranked among the leading orators of the country. His subject here will be "The Forces that Build Communities." Around this subject he has builded a lecture which contains a message that every dweller in the Dunn District should hear. He will speak in the Metropolitan theatre and no charge will be made for admission. Every farmer in the district is invited by the Chamber of Commerce to hear Dr. Daniels on this occasion.

Specialists of the Department of griculture examined more than 22,-10,800 cattle during 1920.
