Miss Verna Leggett leaves this week for Scotland Neck where she will visit relatives. While away she will also spend some time at Norfolk and Virginia Beach.

Physicians were summoned and after some little time the little one was over the attack. J. E. Boyd of Fayetteville, is here this week assisting in the improvements being made in Dunn by the Carolina Telephone and Telegraph Co. Mr. Boyd is district manager of this company.

The American Legion Band held its first practice Wednesday night in the Band Hall over E. L. Parker's store. The new band will practice regularly twice a week now. All the instruments and music has arrived and members of the organization have started to work in earnest. Miss Lucile Kirby, of Kenly, is visiting Mrs. L. H. Hatcher, daughter of Mr. and Mrs. J. L. Hatcher. Last evening Miss Hatcher gave a delightful little party at her home in honor of her guest. A number of the young people in town were present who thoroughly enjoyed the occasion.

The new Clinton-Dunn jitney has started to run, and work on a regular schedule. The jitney makes one trip a day from Clinton to Dunn and return. The jitney is a big bus and can accommodate a number of passengers. Clinton is such a difficult place to get to on the train that the bus will be a convenient mode of transportation. The B. Y. P. U. of the Baptist church enjoyed a delightful fish fry at Rhode's pond Thursday afternoon. Members and a number of guests drove out to the pond in automobiles and were served a big supper of fresh Rhode's fish. The party remained till nearly dark before returning to town. Mrs. P. A. Stewart has returned from a visit to relatives in Western North Carolina.

Rev. John J. Langston, pastor of the Christian church, will leave Sunday for Kentucky where he will be engaged in evangelistic work for the next two months. He will conduct the morning service at his church here Sunday morning, at which service he desires to have a large attendance, especially of his members. Mrs. Langston and the children will not go with him, but will remain in Dunn during his absence.

"The Haunting Stars and Stripes," written and directed by Mrs. Annie H. Young, and given under the auspices of the local chapter of the American Legion, was presented at the Opera House Wednesday night. Many difficulties had been attached to setting up the play, some of the members dropping out at the last minute, but its presentation was very successful, and the play pleased a small audience.

Dunn will send a large crowd of fans over to Benson this afternoon to witness the baseball game between Dunn and Benson. The game has an important bearing on the league standing, since Dunn is now tied for first place with Selma, and Four Oaks is only a game behind. Benson is the only team in the league that is really out of the running. There are two more playing days after today before the first half of the league race closes, and Dunn has two more games to play next week. If Dunn wins today the local club will have an unusually good chance of winning the pennant for the first half.

J. J. Wade has accepted a position with The Dispatch for the summer months. He succeeds Byron Ford who has been with the paper for the past two years and who has retired temporarily from the newspaper business. Mr. Wade has had right much experience in newspaper work. He has been connected with the college publications at Chapel Hill where he has been a student in the University for the past two years, and at the close of school in June was elected managing editor of the "Tar Heel" for the school year beginning next September. He is a native of Dunn and his personal knowledge of the territory in which The Dispatch circulates will assist him a great deal in his work.

Work On Court House Smithfield, July 6.—In spite of the sultry weather, the work on the Johnston county court house continues to progress rapidly, and the people of Smithfield are daily watching the structure grow into artistic beauty. When this building is completed it will class with any public building in the State.

PALMYRA LODGE INSTALLS OFFICERS FOR COMING YEAR

Palmyra Lodge No. 147 A. F. & A. M. installed officers for the coming year at their regular meeting last Tuesday evening. J. V. Snipes, Senior Warden; Jos. E. O'Neal, Junior Warden; Jas. Peasall, Treasurer; Edgemoor Lee, Secretary; Wm. C. Kanny, Senior Deacon; Wm. E. Clifton, Junior Deacon; Ralph R. Kuons, Steward; I. The annual report of the Secretary shows the lodge to be in a healthy condition in every phase of fraternal work. The lodge is in good shape financially—owning valuable real estate, war savings stamps and bonds. Two hundred and one Masons boast of their membership with this lodge and under the leadership of the above officers and committees they confidently expect an active and successful year. No degrees will be conferred during the months of July and August, and it will possibly be the middle of September before work is again resumed. This is necessary on account of the hot weather and the discomfort of working in a closed room during the hot summer months.

SPRING BRANCH July 3rd being the first Sunday, was the time for regular preaching service. As the pastor, Rev. J. A. Campbell was engaged in revival services at Angier, he very fortunately secured the Rev. F. D. Beck to fill the morning appointment at Spring Branch; as a result we were much edified by a wonderful discourse founded on the text "no man cared for my soul;" Ps. 142:4. Mr. Beck is a young man of great promise. We shall watch his course with interest. Mrs. A. E. Alderman who is taking the teachers training course at Salisbury, spent the week end at home.

Some people know, others will have to learn that Sunday bathing at the old Giles mill is forbidden by the owner and men and boys are requested to use suitable covering for their persons at all times when bathing there. Others will find their regular clothing very convenient. We have become so accustomed to seeing them dressed in a coat of paint with shirt to match that hardly any mode excites more than passing interest now. When the name of a religious organization is used as a bally-hoo for an entertainment of questionable character for individual gain, we are not surprised at its falling flat. The annual reunion and roll call of Spring Branch church will be held Friday, July 22. Come and bring your dinner and hear a good sermon. This is a regular annual event and is the initial service in the summer revival services which will be conducted this year by the preaching Guild, Fred N. Day. He is a preacher of more than ordinary eloquence and power.

The B. Y. P. U. is laying claim to recognition as a power for good in the community; may its name be always held above reproach and its influence never misused. D. R. LEE

DIAMOND RIPPLES

Another case of the "kicking" club, and the result was the loss of a perfectly good ball game, or rather the presentation of the contest on a silver platter by Selma to Four Oaks. But it didn't make us mad.

With Dunn tied for first place and in good shape to take the pennant for the first half, what else matters. If Dunn can only cop to-day, and can not win in the two contests next week, everything will be wacky.

There is no use, a why Dunn should win today. The club has a good rest, and ought to be in fine shape to tackle Benson. We can't afford to let the tail ender of the league knock us out of this chance for forging ahead and getting on top.

But if Benson uses Walker on the mound Taylor's proteges have got to keep "heads up" and work like demons. Walker ain't no easy pickin' by a long shot.

It is a pity that neither Hinson nor Ferrell will be in the line up today. There are not two better hitters on the club and hitters are what we need against Walker. "Wile" is out of town on "business" and old "Sam" is taking his summer vacation.

Coats came down here in readiness for an honest to goodness ball game and went out and got Tom and Sanderson to help everybody to help beat the Dunn league ball club.

Too bad Dunn couldn't make it more interesting for Coats. But everybody seemed to take the exhibition as a joke from the beginning, and the second stringers who played made little real effort.

By the way, some of the scrubs looked mighty well out there, and just as if, after all, they were out for business. For instance, Babe Ruth Judson Jones, the idol of the Coats game.

"Shorty" Sullivan was pounded a-way after he had made a rather good start. But errors were responsible to no small degree for the walk away of the Coats team.

For all of that, the game was a game and furnished a pretty good size crowd of loyal fans a bunch of fun, if nothing else. Ballentine ought to be in good trim for a good showing today. His last game was his best yet, and he believes that his arm is in the best condition that it has been in this year.

FOUR OAKS FORFEITED GAME, SELMA REFUSES TO PLAY

Four Oaks, July 7.—Four Oaks has forfeited the regularly scheduled East Central League game here today, when the Selma club refused to take the field. The forfeiture, which was confirmed here by President Barbour of the league, makes Four Oaks one game behind the league leaders.

Selma claimed that Parrish of the local line-up was an illegal player, and it was on this ground that the visiting club refused to play. The game was immediately declared forfeited to Four Oaks by the umpire, and later when President Barbour was conferred with he decided in favor of Four Oaks.

RIGID ECONOMY IN NAVAL SERVICE BEING PRACTICED

Washington, July 6.—Orders issued two months ago calling for a program of rigid economy throughout the naval service have already resulted in a saving of several hundred thousand dollars, Assistant Secretary Roosevelt announced today. In the past few weeks, he said, 166 naval vessels have been declared obsolete and sold.

In addition, it was said, the word has gone out to sell all surplus naval stores and supplies not urgently needed, and to prepare three battleships, four cruisers and two gunboats for sale as junk. The three old battleships scheduled for sale are the Maine, Mis-

souri and Wisconsin. The other vessels are to be sold and broken up at the cruisers Cincinnati, Minneapolis, Raleigh and Marble Head and the old gunboats Castine and Yorktown.

H. J. Weingaert of Benson, was in town yesterday for a few hours.

MOTORISTS

are often at the end of their wits to know where they can have their repair work on their cars properly done—how to avoid the absolute butchery that is so often inflicted upon cars by incompetent persons who hang out a sign and call themselves "motor mechanics."

This garage offers you the opportunity to have your repairs made in the proper manner by mechanics who DO KNOW THEIR BUSINESS and who have long since passed the experimental stage in motor mechanics.

You pay only for the actual time honestly consumed in the work.

ANNOUNCEMENT

Mr. Edsel B. Ford, president of the Ford Motor company, gives out the following statement: "Another reduction has been made in the list price of all types of Ford cars and the Ford truck to take effect immediately. The list prices, f. o. b. Detroit, are now as follows:

Table with 2 columns: Car Type, Price. Touring Car: \$415.00; Runabout: \$370.00; Coupe: \$695.00; Sedan: \$760.00; Chassis: \$345.00; Truck-Chassis: \$495.00; Tractor: \$625.00

"The big reductions last fall were made in anticipation of low material costs which we are now getting the benefit of and this fact together with increased manufacturing efficiency and the unprecedented demand for Ford cars, particularly during the past 3 months permitting maximum production, have made another price reduction possible immediately.

"Ford business for April and May, 1921, was greater by 56,638 cars and trucks than for the same two months in 1920; in fact, the demand has been even greater than the supply, so that our output has been limited, not by unfilled orders, but by manufacturing facilities.

"The Fordson tractor is still being sold at less than the cost to produce on account of the recent big price reductions, and it is impossible, therefore, to make any further cut in the price of the tractor."

Can you afford to go without a car any longer when Fords are selling at these low prices? There is no reason now why you should delay purchasing a Ford car, Ford truck, or Fordson tractor.

We will gladly advise you concerning the delivery of a Fordson tractor or the particular type of car in which you are interested. Just phone us or drop us a card.

Colds & Headache

"For years we have used Black-Draught in our family, and I have never found any medicine that could take its place," writes Mr. H. A. Stacy, of Bradyville, Tenn. Mr. Stacy, who is a Rutherford County farmer, recommends Black-Draught as a medicine that should be kept in every household for use in the prompt treatment of many little ills to prevent them from developing into serious troubles.

THEDFORD'S BLACK-DRAUGHT

"It touches the liver and does the work," Mr. Stacy declared. "It is one of the best medicines I ever saw for a cold and headache. I don't know what we would do in our family if it wasn't for Black-Draught. It has saved us many dollars. . . . I don't see how any family can hardly go without it. I know it is a reliable and splendid medicine to keep in the house. I recommend Black-Draught highly and am never without it." At all druggists.
