

MRS. CODY BURIED IN GRAVE WITH HUSBAND

Denver, Colo., Nov. 2.—The body of Mrs. William Cody lies today in the grave with her husband, "Buffalo Bill," famous scout and Indian fighter, at the top of Lookout Mountain, near Golden Colorado. More than one hundred persons attended the brief Episcopal ceremony at the mountain top overlooking the plains of Colorado.

In carrying out the wish of the widow to be buried with her husband it was necessary to place her casket directly over that of her husband in a crypt blasted from the solid mountain rock.

Mr. P. LeDuke, Farmer, Says, "You Bet Rats Can Bite Through Metal."

"I had feed bins lined with zinc last year, rats got through pretty soon. Was out \$18. A \$1.25 p.p.g. of RAT SNAP killed so many rats that I've never been without it since. Our collie dog never touched RAT-SNAP." You try it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Hood and Grantham, Wilson & Lee and Butler Bros.

The Best Gasoline Costs no More

DURING our many years' experience in producing gasoline we have discovered that the proper blending of basic crudes is necessary for a well-balanced fuel. And our access to practically every developed oil field has insured full utilization of the various types and grades of crude in exactly the proportions needed.

The improved "Standard" Motor Gasoline is produced through the efforts of our Development Department experts. These men have devoted their lives to the study of oil refining and the relation between the properties of oils and the uses to which they are adapted. "Standard" Motor Gasoline represents the fruit of

their years of painstaking experimentation. It is uniform in quality, quick-firing, clean-burning. It is the best gasoline obtainable, and costs no more than any other.

The consistent use of "Standard" Motor Gasoline will go far towards correcting many of the more common difficulties of motoring. If your engine overheats or gives off vile exhaust gases, if your cylinders miss or carbonize quickly, if the oil in your crankcase becomes diluted, it is probable that you have been using the wrong gasoline.

Fill up with the improved "Standard". On sale wherever you see the familiar "S.O." sign. Remember—It costs no more.
