# Have You Paid The Doctor?

A clerical force is now engaged in compiling a new list of doctor's patients in this locality. Your name, if you live in this locality, is on the list.

If you have played fair with the doctor, you are being given a good rating.

If you have not, your rating tells the tale.

Several days yet will be required before the new list is complete. If you owe your doctor anything, go and see him now. If you are not able to pay, tell him so. If you desire to close the account with satisfactory security, do so. If you are not able to do anything for the relief of the account, explain to the doctor.

The association has no desire to deny service to worthy folks. Those who are doing their best will be given the best service the doctors can give. But those who are not doing their best will suffer.

If you are able to pay and will not pay, you'll not get medical service without cash in advance.

If you are a poor man and cannot pay, the doctors will give you their service without charge.

If you are behind with your doctors bill, go now and see the doctor. You are being rated. See that your rating is as it should be.
