GRADY LEADING IN THE SIXTH DISTRICT

Incomplete Reports Indicate Tri-Cornered Second Primary. Kinston, June 5.—The result in the sixth judicial district tonight was still clouded in doubt. Incomplete tabulations indicated that the run off would be between George Ward, of Wallace; Henry Grady, of Clinton, and Guy Moore, of Kinston. Unofficial and incomplete returns gave Grady 2,316 Ward 1,902; and Moore, 1,885. These figures were not considered reliable in some quarters. Indications were that it would take the official count to settle the issue a number of precincts could not be communicated with directly.
