BISHOP KILGO IS SLIGHTLY IMPROVED; CONDITION SERIOUS
 Memphis, Tenn., June 5.—The condition of Bishop John C. Kilgo of the Methodist Episcopal church, south, III at a hospital here, was reported today, as slightly improved but still serious.
 Bishop Kilgo was taken ill two weeks ago while en route to his home in Charlotte, North Carolina, after attending the general conference of the church in Hot Springs, Arkansas.
 Two parrots, one owned by a minister and the other by a "gob", were conversing.
 Said the minister's parrot, "What shall we do to be saved?"
 Said the "gob's" parrot, "Pump like hell boys, gump like hell."

Can You Save a Thousand?

No less a personage than John D. Rockefeller holds the belief that any man who can save a thousand dollars in cash is thereby assured of the ability to gain many thousands.
 Mr. Rockefeller found it a man's job to save his first thousand. After that, he said the other thousands were accumulated quickly and easily. Can you save the first thousand?
