JUBILEE

The North Carolina Press Associa tion is getting to be a venerable body. Shelby has drawn more than the mere enable warning As soon as the honor of entertaining an annual con-the start broadcasting the State vention of the editors and publishers. crooks start broadcasting the State with letters telling of the great wealth they are just aching to give away, Stacey gets on the job.

Since there appears to be a likelyhood of much wealth in some parts of North Carolina this year, the crooks are getting early on the job.

Their printing presses always are landy and they can print their certificates as fast as the suckers get hold featers. Therefore, it is good that sharpy is on job.

For fear that gene of you do not live assembly there July 26 will be in celebration of the editors and publishers. The assembly there July 26 will be in celebration of the golden jubilec of the association. Its program contain half century electrics of manufacturing in the state, read making, figures in the newspaper sould, to be given in addresses by preminent men.

Among other distinctive events will be the presentation of the walter. Among other distinctive events will be the presentation of the golden jubilec of the association. Its program contain half century electrons or manufacturing in the state, read making, figures in the newspaper sould be given in addresses by preminent men.

Among other distinctive events will be the presentation of the Walter H. Savery loving cup. The best weekly spaper in North Carolina is to win it.
