H. A. Parker was a business visitor to Lillington Monday.

Mr. Jno. B. Stronach, representing the National Cash Register Company is in the city.

Miss Fetter of Savannah, Ga., is the house guest of her sister, Mrs. J. Robert Young.

The Baptist State Convention is in session at Winston-Salem this week. Representatives from the local congregation are in attendance.

Walter Barefoot of Dillon, S. C., is here this week visiting relatives. He was called home last Saturday on account of the illness of his brother, Curtis Barefoot, who died Sunday afternoon.

Rev. E. N. Johnson, pastor of the First Baptist church, was presented with an automobile last Sunday by members of his congregation. The gift is a token of the high esteem in which Mr. Johnson is held by his congregation.

Miss Janie Ipeck, a member of the high school faculty is at her home in Goldsboro, having been called there on account of the death of her father, T. B. Ipeck, who died last week. Her numerous friends in Dunn extend sympathy in her bereavement.

Nonah B. Lee returned Sunday from a two-weeks business trip to Florida. While away he visited several Florida towns and spent several days with J. D. Baggett at Maitland. Mr. Baggett is a native of Sampson and now controls large farming interests in Florida.

The many friends of Ellis Goldstein deeply sympathize with him in the loss of his mother who died last Friday night in Augusta, Ga. Mr. Goldstein went to Augusta last Thursday night and was with his mother when the end came. He returned to Dunn last night.

E. Heck, erecting engineer for the Crown Cork and Seal Company of Baltimore, is here erecting an automatic bottling machine for the Pepsi-Cola Bottling Co. When completed this machine will increase the capacity of this plant as well as improve the quality of the drink.

R. E. Morgan and Co., have opened an undertakers establishment in Dunn and will cater to the colored trade only. The local office is a branch of R. E. Morgan and Co., of Fayetteville, and will be under the direction of John Evans. Their headquarters will be in the colored masonic hall on the extension of East Broad street.

The Atlantic Coast Realty Company will conduct a big sale tomorrow. Mr. Townsend will offer for sale that big block of business property on East Broad street. This, perhaps, is the most desirable business property that is now available in the town of Dunn. The business section of the town is growing in the direction of these lots and a large percentage of the trade that comes to Dunn comes from the east and directly over the highway that fronts the property. A large crowd is expected to be present and enjoy the barbecue and something else which Mr. Townsend has promised.

**THE T. E. L. CLASS**  
There will be a very important meeting of the T. E. L. class of the First Baptist Sunday school at the home of Mrs. M. F. Hodges Thursday evening at 7:30 o'clock. Every member is earnestly requested to be present, as this will be the last business meeting of the class this year, and new officers for the coming year are to be elected. It is also very necessary for everyone to go prepared to balance their pledge for the orphan kept by the class. The class has heretofore made a splendid record and we do not want to fall short this year.

MRS. W. D. HOLLAND,  
Class Reporter.

**DR. J. A. CAMPBELL  
REGAINS HIS HEALTH**

Hundreds of friends and admirers of Dr. A. P. Campbell, founder and president of Buies Creek school, in Harnett county, will be glad to know that he has fully recovered his health after a serious break down last spring. Dr. Campbell was in Raleigh yesterday, looking healthier than he has looked in years. His school, he says, is in the midst of the best year of its history.—News and Observer.

**DEATH OF A. B. GRANTHAM  
IS MOURNED BY MANY**

Newton Grove, Dec. 12.—The section around Newton Grove has sustained a great loss in the death of A. B. Grantham (better known as Blake Grantham), who died recently. Mr. Grantham was one of the pioneers of Sampson county, and a man who will be greatly missed in the community, he having always assisted the poor people in a financial way, and his passing will be regretted by his many friends throughout the State. He was in his 70th year.

Mr. Grantham's wife died about ten years ago, and he leaves three children, Miss Emma Grantham, Lawson Grantham and Miss May Grantham. His funeral was conducted from the home and interment was made in the family burial ground near the home, which was attended by a large crowd.

**S. P. M. TART DEAD**

Newton Grove, Dec. 11.—S. P. M. Tart, of lower Johnston county, died on December 2nd and was buried at the Catholic church at Newton Grove on Sunday, December 3, in the presence of a large concourse of people who had gathered to pay a tribute of respect to this good man. Mr. Tart was better known as "Mang" Tart, and he was ever ready to help his fellow man when it came his duty to do so.

Mr. Tart had been married twice, his first wife being Miss Olivia Bissell, who preceded him by about 25 years. The last marriage was to Miss Sarah Eldridge, of Johnston county, and from one of the first families of the State.

There were no children to either marriage, and those who survive are the brothers and sisters. Mr. Tart was a son of Whitfield Tart, who was esteemed one of the best men of this section, and his son, S. P. M. Tart, likewise carried that great honor of the Tart family.

**THE THURSDAY AFTERNOON

**JAS. R. TEW A SUICIDE**

Jas. R. Tew of Mingo township, Sampson county, one of the most substantial and most highly respected citizens of his community, shot a bullet through his head Sunday night about 12 o'clock and died almost instantly. The terrible act took place at his home three miles from Dunn.

Mr. Tew retired Sunday night at the usual hour, about 9 o'clock in the evening. Apparently nothing out of the ordinary was on his mind. His 12-year old son joined him later. About midnight the son was awakened by his father getting out of the bed which both occupied, but before he questioned his father the fatal shot was fired and Mr. Tew fell dead beside the bed. The young son, a daughter and the husband who also resided in the house immediately rushed to the scene, but before any service could be rendered Mr. Tew was dead.

For several months the deceased had been brooding over his financial affairs. Two years ago he loaned much money to his friends and also made some investments in high-priced property. He had been unable to collect on any of his notes and it is thought some of his obligations were pressing on him for settlement. Being a man accustomed to meeting his financial obligations when due his being unable to do so at this time made it embarrassing to him. He steadily grew more despondent until the climax Sunday night when he fell a victim of his own hand.

Mr. Tew's wife died five years ago and he is survived by six children as follows: Mrs. Eldridge Jernigan, Mrs. Malcolm Jernigan, Mrs. Carl Jernigan, Mrs. Frank Blackman, Mrs. Paul Barefoot, and the young son who occupied the room with him at the time of the fatal act.

The funeral services were conducted this afternoon at 2 o'clock from the home by Elder X. Lee and the body was laid away in the family burying ground. A large crowd was in attendance.

To the bereaved ones the sympathy of the entire community is extended.

The Woman's Club had its usual monthly business meeting on Friday December 8, 1922 at three o'clock in the club rooms with Mrs. F. McKay, president in the chair. This was a most interesting meeting. After various reports from committees, much new business was discussed and especially interesting discussions, as to ways of making money for our club during the coming year. Mrs. E. M. Jeffreys, chairman of ways and means committee, announced that pencils would be put on sale at the school, which will be only five cents. These pencils are really advertisements of the school as they will have "Dunn Graded School" on them. The parents are asked to cooperate with the club in allowing their children to buy these pencils, as 20 per cent of the proceeds will come to the club treasury. The club will welcome suggestions on ways to make money. Please be liberal with your ideas and do not hesitate to express them.

Miss Harris met with the club and in behalf of the Red Cross made a brief but interesting talk—she explained some of the ways in which funds were used—Dr. Sprill, who conducted the tuberculosis clinic here last month gets his salary through Red Cross. She urged us to do all we can for the Red Cross, as this is such a great and noble cause. In giving to it we are helping those who cannot help themselves. It enables many who need treatment to be placed in sanitariums, thereby saving many lives. Many go without treatment and endanger the lives of those about them. Miss Harris surprised the club when she stated that 65 cases of tuberculosis had come under her observation here in our town. This in itself is proof enough that we should do our part and fight it with our help. Over \$33,000 was sent in North Carolina last year. The Red Cross seal sale is to be conducted through the Woman's Club this year. Mrs. V. L. Stephens, as chairman of the committee appointed four other committees to help her. Namely: Mesdames E. K. Thompson, Sam Broughton, Lee Surles, J. S. Farthing. Seals may be obtained by phoning or seeing either of those on the committee.

**HELP FIGHT TUBERCULOSIS BY  
BUYING SEALS**

A Christmas box to be sent to the government hospital at Otter is to be sent by the Woman's Club again this Christmas. While the club is asked directly to look after this anybody in town who wishes to do so may contribute to this box. All the club members and any one who will, is asked to give one or more, either old or new records of any kind to be sent in this box. A committee consisting of the following will attend to this matter: Mesdames Fred McKay, J. A. Hines, Wm. P. Smith, T. L. Riddle. Everyone is urged to have records in club room before December 18th as this will save work and confusion so near the holidays.

The Woman's Club at the request of the Chamber of Commerce will cooperate with them in relief work for the New Bern fire sufferers. The club is glad to do this, as it always is willing and ready to help in any good cause. Dunn always goes over the top.

After the business was dispensed with, the club adjourned to enjoy a social hour with Mrs. E. M. Jeffreys, Fred McKay. Tea, fruit cake and wafers were served.

The Woman's Club is the only organization in which all may work together for good in Dunn. Every woman in Dunn has a place in the club. Do you fill it or is your chair an empty one at the meetings? Do you not want to be active among the women of the town who are striving to better our town?

It is your club. Do you do your part by it?  
It needs your cooperation, why not give it.

Attention School Children  
Be sure and get that pencil from the school! Only five cents.
