car was drinking and ran off an
embankment into several feet of wa-
ter. Two jugs of whiskey were found
in the wreck.

JORDAN-MOYLAN

A wedding of much interest to a
large circle of friends here and else-
where, was solemnized at nine o'-
clock on the evening of January 2nd,
when Miss Patti Moylan of Portland,
Oregon, became the bride of Mr.
Robert Jordan.

The impressive marriage ceremony,
uniting the lives of these two young
people, was performed by Rev. G. T.
Adams of the Divine Street Methodist
church, in the presence of a few
close relatives and friends.

Mrs. Jordan is the youngest daugh-
ter of Mr. and Mrs. J. C. Stills of
Portland, and a sister of Mrs. Henry
C. Lee of this city with whom she
spent the autumn. She is a charming
and attractive young lady and has
made many friends in Dunn who will
be glad to welcome her as a perma-
nent resident.

Mr. Jordan is the oldest son of
Mr. and Mrs. J. W. Jordan, a young
man of splendid qualities and attain-
ments, who enjoys the confidence and
esteem of all who know him. He
is associated in business with his
father and has been identified with
the commercial and social life of the
town for several years.

Immediately after the marriage the
happy couple left for Jacksonville,
Fla., and other southern points. Upon
their return they will reside tempo-
rarily at the home of Mr. and Mrs. J.
W. Jordan on West Divine street.

Camp Fire Girls Organized

Law of the Camp fire:
Sook beauty.
Give service.
Pursue knowledge.
Be trustworthy.
Hold on to health.
Glorify work.
Be happy.
The Cherokee Camp of the Na-
tional organization of Camp Fire
Girls has been organized in Miss
Williams' section of the seventh
grade. By living the law of the Camp
Fire and following the slogan "give
service," the growth of the mind and
spirit is assured.

An organization of this type is wel-
comed in the community and thus far
co-operation in financing the camp
has been given. Through generosity
of Pearce's Bakery the girls by sell-
ing cinnamon rolls have earned their
dues and funds necessary for char-
ter.

Though the credit unions of the
State have undergone a period of
financial stringency, five new ones
were formed during the past year.

AUTOMOBILE RECOVERED

About three weeks ago Mr. James
Warren of Sampson county awoke
one morning and his trusty Ford was
gone. He forthwith and immediately
departed for the Best Town and notifi-
ed the local officers who since that
time have been giving all Liasles the
once over.

Yesterday officers Dixon and John-
son struck a hot trail and followed,
in swift pursuit, a car containing
three young men and a soldier from
Camp Bragg. They had proceeded
some four miles from Dunn when the
officers commanded the fleeing ones
to halt. Two of the young men were
very elusive and gave the officers the
slip, the other being afflicted, was easi-
ly captured but the soldier from
Camp Bragg was unwilling to "kamarad"
until he had demonstrated a little of
his stuff. He executed one or two
100-yard dashes, jumped behind the
trunk of a tree and took a crack at
one of the officers who exchanged the
salute.

A few minutes afterwards came
the endurance test, the real marathon
of the afternoon. Over fences and
ditches and through swamps went
both the pursued and the pursuers,
the chase interspersed at intervals
with a lively exchange of shots. The
soldiers from Bragg proved his su-
periority in the art of fleetfooted-
ness and finally made his getaway,
while young Alfred Johnson returned
to town in the custody of the officers.

12 BIG FEATURES IN "EVE"

Never before have we heard of a
show that boasts of as many features
as George Wint's musical comedy
"Eve" which will be at the Metro-
politan Theatre one night, Saturday,
January 20th.

This company has received most
flattering press comments from all
the leading dailies of the States, and
appears to be the musical comedy hit
of the season. Heading the show is
New York's famous beauty and mus-
ical comedy star Miss Myra Brown.
Assisting her is none other than
Johnny Gets the man from "Monkey-
land." Also the Harmony Quartette,
the Mirror Ball, considered the
plethorah of any electrical effect ever
seen on any stage. The special or-
chestra and musical numbers will
make you shimmy and whistle, or
buy a mouth harp on your way home.
La Zesika the cultane exponent of
perennial dancers, such as witnessed
by the Roman Emperors on Cleopa-
tras barge. The weird and fascinating

Radium Ballet, the pasodoble, and dis-
tortion walk extending some fifteen
rows into the audience where a close
view can be had, as the heavenly
beauties promenade and show their
lingerie stelar de luxe in a flood of
fascinating, filmy feminine sea of
dainty, luxurious, lacy garments, that
dazzle the eye, and feed the brain
with torrid memories of "oh such a
night." The wonderful Bubble Foun-
tain also, which is positively the
greatest effect ever conceived, will
be shown. Also a wealth of scenery
that is opulent in splendor and tin-
sel and a wedding scene which every
girl will try to copy on her wedding
day. Such are the reports on "Eve."

The first farmer was the first man,
and all historic nobility rests on pos-
session and use of land.—Emerson.
