THE HOME BUILDING & LOAN ASSOCIATION
ANNOUNCES THE OPENING OF ITS FOURTH SERIES OF STOCK
SATURDAY, MARCH 3, 1923

An Opportunity for Systematic Saving, Safe Investment, Financial Independence
All Loans Secured by First Mortgages on Real Estate

Is all the money you earn just passing through your hands---until it reaches the fellow who has the good business sense to save it?

You work for your money---why not save some of it?

Hundreds of others are doing it---men and women with Building & Loan accounts---workers like yourself.

Many of them earn no more than you. Many earn less than you.

THRIFT IS A HABIT NOT A HARDSHIP

Form the habit of saving regularly---make your dollars work for you.

Any fool can spend money---It takes a wise man to save it. Be wise.
