CROWNING EVENT OF BALL SEASON

All Stars Plan To Put It Over Dunn Hi's Here Thursday Afternoon

It will take you back to '98, that baseball game which is to be staged between the "All Stars" of Dunn and the local high school baseball team at the Fair grounds Thursday afternoon of this week at 5 of the clock.

Following is the probable line-up of the "All Stars," who are slated to win the game from the Dunn Hi's:

In the pitcher's box will be found "Little Sammie" Fleishman, who for several year twirled all the South Carolina teams to glory. Behind the bat will be found the ever reliable "Bill" Newberry, with his sunny smile. On first base Mayor J. Loyd Wade will bring fresh the memories of the days gone by. Second base will be held by Bunk Lane. On short the Dunn fans will be treated to the sight of seeing our own "Goldie" in action. It has been several years since Ellis Goldstein performed for "Ikey" Goldstein's famous club that toured foreign countries, but Goldie says he is as good as ever, and will make every one feel that the price of admission is value received. On third will be found Ben Brewer, who played on Judge Brewsky's team of '98. Ordinarily that would be enough said, but for information of the present day fans we will say that in Ben, the "All Stars" have the champion base runner of '98, and he has already made the statement that the high school catcher would not be able to stop him, even after a few years of inactivity. In the right field Draughton will hold forth. Center field will be filled by Frank Dailey. Left field will be occupied by Dr. Bob Warren. The "All Stars" boast of their outfield as the hardest hitting crew in unorganized base ball. Subs: Walter R. Howard, Neil Green, Ernest Jeffreys, Leslie Wilson, June Guy, G. M. Tighman, E. P. Young, J. C. Clifford, Charlie Dibbs and Harry Newberry.

In order that the high school would be able to get "justice" Manager Taylor of the "All Stars" has induced Eugene Lee to umpire. Mr. Lee known throughout the entire country as one of the best judges of balls and strikes (for his team) that the country ever produced. Also Mr. R. O. Primrose has returned to his old love. Prim says that his team can't play without him scoring the game.

Mr. John Ballance was overheard to say that with Gene Lee umpire, R. O. Primrose, scorer, Herbert Taylor, coach, and the "All Stars" in action, that he couldn't figure where the school team would come in.

But listen Fans! The real object of the performance is to help pay for the equipment that every day is being enjoyed by our children on the grounds of the high school. The sale of the tickets will be in charge of the Woman's club. If it is so that you can't attend the game, buy a ticket anyway. The children need the twenty-five cents.

M. M. JERNIGAN NEW RECORDER

I. R. Williams Elected Vice-Recorder And C. C. Parker Solicitor

Those who have the misfortune to be hauled into the local recorder's court during the next two years will have their innocence or guilt passed upon by M. M. Jernigan junior member of the law firm of Godwin and Jernigan, who last night was elected recorder by the town commissioners. No other nomination for the office was made and Mr. Jernigan was unanimously elected. I. R. Williams, junior member of the law firm of Godwin and Williams, was unanimously selected vice-recorder. The same salary will be paid as heretofore, which is \$75 the month for the recorder and \$10 the month for vice-recorder.

C. C. Parker, junior member of the law firm of Guy and Parker, was elected solicitor of the recorder's court, his salary to be \$800 the year. Heretofore the town attorneys have also served as solicitor of the recorder's court, the salary for both being \$1,000 the year. The firm of Clifford and Townsend, elected as town attorneys at the first meeting of the new board, will receive \$500 the year, which means that under the present arrangement the cost of the two will be \$300 more per year than under the old plan.

Mayor J. L. Wade named his two committees at the meeting last night, as follows: Streets—R. M. Warren and B. M. Brewer; water—P. A. Lee and W. B. Thompson. Three members of the board of school trustees will be elected by

the board at its next meeting on Monday evening, June 4. One of the members to be elected will be to fill the unexpired term of McD. Holliday deceased, while the others will be successors to A. F. Surles and G. F. Pope, whose terms of office have expired. The school law provides that the town commissioners and the members of the school board who hold over elect new members. The school board, however, waived its rights and asked the town board to name the three new members. Citizens of the town are asked to recommend to the town board those whom they would like to have elected as trustees.

Several routine matters were passed upon by the board at the meeting last evening in addition to the matter of electing officers and naming committees.

The matter of closing all ice cream parlors, cold drink and cigar stands all day on Sundays will be heard at the next regular meeting of the board.

Seniors Entertain Junior Classmen

Classes Have Delightful Time At Jno. A. Oates' Log Cabin

(By Jno. O. Harris)
Surrounded by the scenic beauty of Carver Falls, the Juniors of the Dunn High School were delightfully entertained by the Seniors Friday evening, at the log cabin of Jno. A. Oates, located near Fayetteville, on the LaFayette highway.

About 8 o'clock the classes arrived at the cabin and everyone went directly to see Carver Falls, which are in sight of the cabin. The falls are the highest in Eastern North Carolina, and in no place in the State can be found scenery which has been more beautifully blessed by nature. Especially at present the scenery is very beautiful for the mountain laurel is in full bloom and adds fragrance to the surrounding woods.

A bon-fire was built near the falls on the pinnacle of a hill, where the chicken was fried. Immediately afterwards lunch was served and no separate courses, no cocktails, no caviar, nor after-dinner speeches were needed to make the dinner palatable; to separate mind from stomach, create buoyancy of spirit, and all were very hungry. A large piece of chicken, slice of cake and coffee of cream greeted each appetite simultaneously causing no gorge to rise.

After the feast everyone again returned to the cabin. A cannonading of cheers was fired at Mr. Oates and the merry crowd called for a speech. In a speech of only a few minutes, Mr. Oates epitomized the meaning of love. He declared, "that love was when two hearts were imprisoned in the same sweet prison, when his'n was her'n and her'n was his'n."

Mr. Oates was in his jolly, genial mood as usual and did much to make the entertainment a success. He extended an invitation to the classes to again visit "Cabin John."

As it was approaching midnight the Seniors and Juniors began to return home. All were intensely delighted, declaring that they had had a glorious evening.
