

CO-OP RALLY IS WELL ATTENDED

Congressman Ward and Paul Frizzell Address Farmers at Kinston

Kinston, Aug. 24.—Farmers of Eastern North Carolina, thousands strong, marched upon Kinston today and staged the most striking demonstration in favor of co-operative marketing ever seen in these parts. More than a hundred automobiles were in the parade which passed through the streets of Kinston with big co-operative banners and close to five thousand people attended the basket picnic where the enthusiasm of the tobacco colony was evident in the applause which greeted Congressman I. S. Ward, of Washington, T. C. Watkins, Jr., Warehouse Manager of the Tobacco Association, and Paul Frizzell, of Snow Hill, who spoke in behalf of the organization.

Congressman Ward told the Le-noir farmers that nothing can stop the tremendous momentum of the present co-operative movement of American farmers and asked why a movement which had the good will of the people in all other sections of the nation and the strong backing of the government and the press should receive such bitter opposition from a few men in a few counties of Eastern North Carolina. He foretold a future for the organized tobacco and cotton farmers which would make North Carolina the rival of California in prosperity and rural culture if co-operative growers continued true to the method which has changed near-bankruptcy into prosperity within a brief two years.

Director Watkins declared that members of the association could not hope to attain success by allowing half of the tobacco from their lands to compete in the market against their own organization and called on his hearers to support the association in delivering to it all tobacco grown upon their lands.

Mr. Frizzell, of Snow Hill pointed to the need for co-operative marketing as exemplified in the rapid return to prosperity which has followed the collapse of 1920 because of better prices for both cotton and tobacco.

Whatever the outcome of the co-operative case in Pitt County may be tomorrow, there is no doubt that it has thoroughly stirred the interest and the fighting spirit of the members of the co-operative associations gathered here today.

Pittsburgh Ku Klux Parade Riot Kills One

Pittsburgh, Aug. 25.—A force of deputy sheriffs was rushed to Carnegie, a suburb, late tonight when a crowd of about 500 persons blocked a street and stopped a parade of Ku Klux Klansmen. The parade was led by an automobile, but the klansmen on foot were reported to have extended back more than a mile.

After a momentary pause the paraders broke through the crowd and continued through the town singing "Onward, Christian Soldiers." A number of shots were fired, and one man, dressed in white robes, is known to have been killed. He died in a physician's office, shot through the head.

A Wish

"I HAVE TAKEN Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak too," says Mrs. Elvie Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of Cardui and her condition was much better."

"We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, as this country wasn't built up, and it made it hard on us."

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work." This card fulfills her wish.
