Born, on October 14, to Dr. and Mrs. R. L. Warren a daughter...

Miss Bonnie Feltman of Lenoir spent the week-end in town visiting friends.

Mr. and Mrs. A. M. Lillington were among the shoppers in town yesterday.

Recorder M. M. Jernigan and J. O. West are handling the case in Clinton on legal business.

R. P. Jackson of S. Lenoir has accepted a position as a clerk in Feldman's department store.

E. N. Pope, who has been visiting at Cheraw, S. C., spent the week-end here visiting his parents, Mr. and Mrs. R. W. Pope.

Clara Barnes of Lenoir, N. C., was here this week to spend a few days with her brother, J. D. Barnes.

The bridge tournament scheduled for tonight at the Women's Club rooms, has been postponed to Tuesday night, October 30th.

Mrs. C. T. Adams returned yesterday afternoon from Clayton where she spent a few days with her parents, Mr. Deane Adams and Mrs. Gibbs.

Ellis Goldstein left Saturday for New York city to purchase a winter suit for the G. H. Barnes Company store. He is expected to return Thursday.

Miss Jessie Stone returned Saturday afternoon from Raleigh, N. C., where she spent a few days visiting at the home of her brother-in-law, Mr. and Mrs. Charles Jernigan near Dunn.

The Women's club wishes to thank all those who sent flowers to the Flower Show and the business firms who donated prizes. Some of the prizes given were not used this time, but were no less appreciated and will be used to advantage later.

G. H. Barnes of Jacksonville, Fla., has been the guest of his brother, F. D. Barnes, for several days.

This is a rather raw day for October to deal out. However, the weatherman has proved himself a friend to the farmers, and others as well this fall.

Mr. and Mrs. J. H. Poole recently moved to Dunn from Raleigh. They are living in a residence which they own on West Divine street. Mr. Poole has been engaged in the wholesale grocery business in Raleigh. His sons, K. C. and O. H. Poole will continue the business there.

A talking Studebaker will be seen and heard at the corner of Smith & McKay, in Dunn, Friday and Saturday of this week. The performances will be given daily from 2 to 4.30 and 7.15 to 9.30 p. m. This talking Studebaker since plays music and answers questions in the human voice, it is said. The unusual entertainment will be free and the public is invited to be present.

The fire alarm was sounded yesterday afternoon at 11:30 o'clock on account of a blaze on the roof of the building occupied by Mr. E. Williams, stone cutter, on East Lenoir street. The fire caused by the flames by the use of chemicals before much damage resulted. Had the fire made much headway before it was discovered, with the high wind blowing, it is likely that much damage would have resulted.

Flower Show Was Decided Success

The Women's club was a scene of beauty Friday afternoon when the club held its first Flower Show. Giant dahlias in many shades of red, yellow, pink and white, formed the principal exhibits. Many other varieties grown to great perfection were represented. These, together with collections of smaller dahlias, chrysanthemums, roses, snapdragons and miscellaneous collections were effectively arranged so that each contribution appeared to best advantage and the display as a whole was harmonious and beautiful. Prizes were awarded as follows:

Mrs. E. P. Davis, for best dahlias, a pair of silk hose given by the Paer Dry Goods Company; Mrs. Lloyd Wade, ribbon for best single specimen of red dahlias; Mrs. N. A. Townsend, for the best pink dahlias, a box of stationery; Mrs. Ellis Goldstein, for basket containing greatest variety of flowers, a pair of silk hose given by Feldman's Department store; Mrs. J. R. Butler for most artistically arranged basket of mixed flowers, pottery bowl, given by Highsmith Seed store; Mrs. J. C. Clifford, for best chrysanthemums, photographed by Miss

Smith's studio; Mrs. J. J. Wade, for two white dahlias, bottle of toilet water given by Wilson & Lee; Mrs. J. W. Thurton for best roses, a bronze bottle, given by the Fletcher Drug Co.; Mrs. Allie Parker, for ferns and ferns, a vase given by the Gift Shop.

The primary object of the Flower Show was to stimulate interest in flower culture so no admission was charged. However, quite a nice amount was realized from the flowers which a number of exhibitors gave to be sold for the benefit of the club. The days and means committee served chicken salad, coffee, ice cream and cake during the afternoon.

The club wishes to make the Flower Show a semi-annual event and hopes that not only club members but all town people will be glad to plan their entries for the coming Flower Show.

The Thursday Afternoon Book club met with Mrs. Lloyd Wade yesterday afternoon at 3.30. In the absence of the president the meeting was called to order by Mrs. M. M. Jernigan, president.

After the program a delicious course was served, followed by music.

Football News

Time 3 o'clock. Place, Fair grounds. Admission, children 15 cents, adults, 25 cents. "Bill" Newberry will be in the ticket office by 2.30.

On Friday morning, November 9, the Dunn team will play the Inglewood high school team at the Clinton Fair.

Home Economics Dept. Will Meet Friday P. M.

The Home Economic department of the Women's club will hold its first meeting of the year Friday afternoon at 3:30 in the club room. Miss Bridge will assist Mrs. Carl Fitchett, chairman of this department, in a demonstration on "pickles." The pickles made at the meeting will be canned and sold to the ladies for the benefit of the Home Economic department.

This demonstration is not only for the members of the club, but also of the ladies in town who are interested in this work.

Everybody will be welcome. Any one who has green cabbage, onions, or green tomatoes, is requested to please Mrs. Carl Fitchett by Thursday afternoon.

Many Conversions At The Laymen's Revival

The revival which has been in progress at Divine Street Methodist church since Sunday evening, October 13, continues to grow in interest. A number of conversions and regenerations have already resulted from the meetings, which are conducted solely by the Laymen's Federation of Fayetteville.

It has not yet been announced when the meeting will close, though services have been announced for this (Tuesday) evening at 7.30. The large church auditorium, including the Sunday school annex, was filled to overflowing at the Sunday evening service. In spite of the inclement weather last evening the attendance was good and a most interesting meeting was held.

Sunday afternoon at 3 o'clock services were held in several of the churches in town. A service for men only was conducted at the First Baptist church, one for women at the Presbyterian church and one for young people at the Methodist. All the services were conducted by Fayetteville people and were well attended and interesting.

A revival conducted entirely by laymen is something new for Dunn, though the meeting is proving one

of the greatest soul-winners ever conducted in the town.

Will Hold Court Both Thursday And Friday

A two-days' session of the local recorder's court will be held this week. Thursday will be devoted to the trial of criminal cases, while Friday's session will be devoted to the hearing of civil matters. The session on Friday will be held in order to clear the civil calendar, according to Recorder M. M. Jernigan.

Rev. W. Strickland Run Down By Auto

Rev. Willie Strickland, who lives near Dunn, had a close call early last night when run down by a Ford touring car driven by Martin Goodman, negro jitney driver. The accident occurred on the Dunn-Duke highway just beyond the end of West Broad street. Mr. Strickland was walking along the highway when struck by the car. He was knocked down, though the car did not pass over him. The back of his neck was somewhat bruised, but it is not thought he suffered any serious injury.

Goodman stopped his car and expressed deep regrets for the accident. He was blinded by the lights of another car, he said, and did not see Mr. Strickland. The unfortunate man was taken to the home of S. E. Guy, near by, where investigation of his injuries was made. He was later carried to his home by Mr. Guy and A. L. Sorrell.

Rhineland Republic Finally Proclaimed

Aix La Chapelle, Prussia, Oct. 21.—A Rhineland republic was proclaimed here today.

Rhinelanders occupied the public buildings at four o'clock this morning without opposition from the security police.

Their purpose immediately to begin an extension of their control throughout the Belgian area.

No Excitement The city was calm today, presenting its usual Sunday appearance. The public buildings occupied by the Separatists display the colors of the Rhineland republic—green, white and red. The proclamation were placarded, this first of these said: "To the people of the Rhineland. The hour of liberty has struck. Derlin has plunged us in distress and misery. We come to our own assistance. We proclaim today a Rhineland Republic—free and independent, we wish to live in peace and friendship with our neighbors and to work in an effective manner with them for the reconstruction of Europe."

"Workers, every man to his post! Immediate care will be taken to assure peace, work and bread. (Signed) "The Provisional Government." Leo Deckers and Dr. Guthard."

The second proclamation read as follows: "The Rhineland Republic is an accomplished fact. Any resistance will be crushed pitilessly. Pillagers and disturbers of public order will be punished with the severest of penalties. We shall apply all our care to the questions of food supply and work and will preserve order and peace."

This proclamation was signed in the same way as the first. No other Separatist attempt has yet been reported from the other portions of the occupied territory. It is reported here that Dusseldorf is tranquil.

NOVELTY CONCERT THURSDAY NIGHT

Proceeds Will Go Towards Defraying Expenses Of Public Library

A novelty concert, consisting of a most interesting variety of musical numbers, will be presented by the Cornelius Harnett Chapter, D. A. R., at the opera house Thursday night at eight o'clock. Dunn has always been noted for the musical talent of its people, and at this time the public will be given an opportunity to see and appreciate that talent.

Among the many interesting features of the program will be classical selections from the masters, artistically rendered by Dunn's best musicians, vocal soloists, piano and violin soloists. In addition there will be an excellent male quartette, a pickaninny chorus of children under the direction of Miss Agnes Cannady, classical aesthetic dancing and two modern chorus dances, several numbers by the Masonic orchestra and some by Dunn's jazz orchestra. In short there is some feature of the program which will appeal to everyone and nobody can afford to miss this treat.

The proceeds will go towards defraying the expense of the library and towards purchasing an up-to-date set of American histories for the library.
