A Few Good Salespeople Wanted During This Sale

BUSINESS CLEARANCE SALE

OPENS

FRIDAY, DEC. 7TH

And Continues Through Tuesday, Dec. 18. 10 Bargain Days for You

If you remember, last year about this time we announced that we would discontinue the credit business after January 1, this year. However, we kept doing a little charging. This was due to the fact that we found we had some customers who owed us and had to advance them and as we had to do this we decided to continue our credit business as usual. We will not have to do that this year and will positively do no credit, or charge business after January 1, 1924. We are going to cut our expenses and give you standard merchandise as cheap as possible for cash and hope you will come to see us as you have been doing. We appreciate your business and will do our very best to give you service and standard merchandise at prices that will save you money. Please do not ask us for credit after January 1, for it will not be granted.

Bargains For You—For ten days, dating from Friday, December 7 to Tuesday, December 18, we are going to offer you merchandise cheaper than you will find it elsewhere, and cheaper than we have ever offered it before. This is a Pre-Cash Business Sale and during these ten days we are going to get rid of standard merchandise at prices that will appeal to you.

Our policy will be to buy for cash and sell for cash—This will enable us to sell the same quality merchandise for less money. Don't fail to visit our store during this sale as prices will be cut to the bone. Below we quote prices on a few of the thousands of bargains to be found in our large department store. Christmas is drawing near and it will pay you to see our goods and get our prices before you make your holiday purchases. Read these prices, then come to our store and share in the bargains offered:
