New Way to End Dangerous Cough

The most stubborn cough is relieved with the first dose, and is very often broken up entirely in 24 hours by a new method based on the famous Dr. King's New Discovery for Coughs.

Here is the method: You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals soreness and irritation, but also loosens and removes the phlegm and congestion which are the direct cause of the coughing. So with the cause removed, the severe cough usually disappears quickly.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too - no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

Headache dizziness

"I HAVE headache once in a while, usually coming from constipation or torpid liver," says Mr. L. A. Morphis, of Pottsville, Ark. "and the very best remedy I have found to correct this condition is Thedford's Black-Draught. It acts quickly and easily, and it just can't be beat."

"Black-Draught is the very best laxative I have found. I always feel so much better after taking it. My wife takes Black-Draught, too. For dizziness, costiveness and any little stomach disorder, we find it most satisfactory, and consider Black-Draught a family medicine."

Constipation, with an inactive liver, locks up poisons in the body and allows them to do their dangerous work.

Being purely vegetable and containing no harmful drugs, Black-Draught acts gently, helping the system get rid of impurities and preventing serious sickness. Get a package today. Sold everywhere. 25 cents.

BAPTISTS READY; GREAT ADVANCE

April Ingathering For Co-operative Program is Feature of Forward Move.

PLAN FOR BIG CONVENTION

Special Emphasis is Laid On Spiritual Preparation for Gathering of Forces at Houston May 12-16

Conditions favor a distinct advance on the part of Southern Baptists in 1926 along many lines, according to information received by the headquarters of the Co-operative Program Commission of Southern Baptists.

This body, charged by the Southern Baptist Convention and various state conventions with providing adequate support for foreign missions, home missions, ministerial relief and Baptist schools, hospitals and orphanages, is seeking to so increase and stabilize the income of the de-

nomination as to provide adequately for all these enterprises through a regular budget. In this connection the Commission is seeking to enlist as nearly as possible every member of every church in making regular weekly and monthly offerings to this general budget which is distributed among these seven causes on percentages proportionate to their various needs.

Approximately \$9,200,000 for these objects was received during 1925, it is announced, but inasmuch as only \$4,698,000 of this amount was in distributable funds some of the objects suffered for lack of sufficient cash. Under the leadership of the Commission a definite effort is being made to secure as much or more money as was contributed in 1925, but in undesignated amounts so that each cause will get its proportionate share.

Receipts By States
The receipts for 1925 through the various state offices were as follows: Alabama, \$352,308.67; Arkansas, \$239,333.66; District of Columbia, \$48,000; Florida, \$223,665.88; Georgia, \$480,898.54; Illinois, \$81,051.17; Kentucky, \$514,300.01; Louisiana, \$312,499.70; Maryland, \$91,200.00; Mississippi, \$580,736.76; Missouri, \$230,344.13; New Mexico, \$38,981.64; North Carolina, \$691,713.44; Oklahoma, \$137,389.01; South Carolina, \$434,584.70; Tennessee, \$390,287.44; Texas, \$873,407.96; and Virginia, \$946,066.06. The remainder of the \$9,200,000 received in 1925 consisted largely of special gifts to foreign missions and the building fund of the Southern Baptist Theological Seminary.

An outstanding feature of this effort of the Commission is a special cash ingathering for the month of April, when every one of the nearly 4,000,000 white Baptists of the South will be asked to make as generous an offering as possible to the whole Co-operative Program, this money to be distributed proportionately among the seven general causes embraced therein.

Convention Prospects Good
In the event this April ingathering attains the goal set for it, it will make it possible for the various Southwide Baptist enterprises to report great relief in their financial situation to the Southern Baptist Convention at its session in Houston, Texas, May 12-16.

The committee on program for this year's convention, in the hope of giving that session the largest possible spiritual emphasis, has arranged for a special season of prayer and worship in the Convention auditorium at Houston for Tuesday evening, May 11th, preceding the opening of the Convention on Wednesday morning. At this preliminary service J. Fred Scholfield of Birmingham, Ala., will lead the song service; Dr. W. A. McComb of Gulfport, Miss., will lead the prayer meeting and Dr. H. R. Holcomb of Mansfield, La., will preach a brief sermon. Another innovation in this year's Convention program calls for the closing of each morning and evening session with a brief sermon by a representative pastor. Dr. Fred F. Brown, Knoxville, Tenn., will deliver the main Convention sermon on Wednesday morning.
