it's cheaper to paint than repair!

Thousands of property owners have delayed necessary painting—waiting for better times. Now they have found that further delays will result in costly repairs—plus painting. Like apartment owners, property owners everywhere have discovered that it's cheaper to paint than repair!

Don't delay painting your property any longer. Get some GRANITOID, the quick-drying enamel for floors, furniture and woodwork. You'll save repair bills and materially enhance the attractiveness of your home. 38 distinctively beautiful colors. See us today—we carry a complete stock.

KURFEES 80 and 90
100% PURE PAINT

Here's an absolutely pure paint for outside and inside use. Outlasts ordinary paint. Costs no more. 30 colors.

FLAT-TINT
WALL FINISH

Here's a soft, velvet-like oil finish for walls and ceilings. Dries flat with an egg shell finish. Washable. 14 colors.
