MASSIE'S NEW AMBULANCE

The Massie Furniture and Undertaking Company which for the past 15 years has been in business in this county, added to its equipment this week a new Motor Ambulance. The ambulance is the latest type, being equipped with electric fans, electric heaters, first aid cabinets, thermobottles for hot and cold water, and special springs which assures unsurpassed comfort. The motor is an eight-cylinder Buick motor which develops 113-horsepower, and is capable of making over 90 miles an hour.
The addition of this new ambulance gives the concern three motor conveyances for the carrying on of their service. Mr. Massie stated that he has fulfilled his desire and is now equipped to render service that few communities the size of Waynesville are offered.
"The addition of better equipment enables us to give better service," he stated.

Overcome Pains this better way

WOMEN who get into a weak, run-down condition can hardly expect to be free from troublesome "small symptoms."

Where the trouble is due to weakness, careful help women to get stronger and that makes it easier for nature to take its orderly course. Painful, annoying symptoms disappear as nourishment of the body is improved.

Instead of depending on temporary pain pills during the time of suffering, take Careta to build up your resistance to womanly ailments.
