Sarah Ann's Cooking Class

Smart restaurants and clubs were the first to feature sweetened yeast breads with coffee for desserts. Now it is being adopted in every part of the country; enterprising bakeries offer them as specials. We see trays after trays in their windows and yearn to make some just their image. It is not hard to make them, so try your hand.

Pineapple Bread Ring

Soften one cake compressed yeast in 1-2 cup milk scalded and cooled. Add 3 to 4 tablespoons of sugar and 3-4 cup of flour. Beat well. Let this stand in a warm, moist place about 20 minutes. Add 1-3 cup of softened butter, 1-2 cup of sliced blanched almonds, and 1-4 teaspoon salt. Stir into the mixture 3 eggs unbeaten, one at a time, and 1-4 cups of flour.

Beat hard for 140 minutes, then pour into an oiled ring mold and set to rise in a warm place. When double the bulk, bake in an oven 375 degrees for 45 minutes. Remove cake from pan and pour pineapple syrup into the depth of 1-4 of the mold. Return the cake to the mold and leave until the sugar has been absorbed. When ready to serve, place the bread on a cake platter and pile high in the center with pineapple Bavarian cream or pineapple mousse.

To make pineapple syrup, boil together 3 minutes 1-2 cup of pineapple juice, 1 cup of sugar, and a pinch of salt.

Bohemian Apple Cake

1-2 cakes yeast. 1 cup milk scalded and cooled. 1 tablespoon sugar. 3 1-2 cups sifted flour. 1-4 cup butter. 1-4 teaspoon salt. 1-2 cup sugar. 2 eggs. 5 apples.

Dissolve yeast and 1 tablespoon sugar in lukewarm milk; add 1 1-2 cup flour to make a sponge; beat until smooth. Cover and set aside in warm place until light, about 3-4 of an hour. Have sugar and butter well creamed, add to sponge. Then add well beaten eggs and remainder of flour and salt. Knead lightly. Place in a well greased bowl. Cover and set aside to rise, about 2 hours. Roll 1-2 inch thick. Place in two well greased shallow pans. Brush with butter, sprinkle with sugar. Cut apples in eighths and press into dough, sharp edge downward. Sprinkle with cinnamon. Cover and let rise 1-2 hour. Bake 20 minutes. Keep covered with pan for first ten minutes in order that apples may be thoroughly cooked.

Dresden Coffee Cake

1 yeast cake. 1-2 cup milk, scalded and cooled. 1 tablespoon sugar. 2 cups sifted flour. 1-2 cup light brown sugar. 2 tablespoons butter. 1 egg. 1-2 teaspoon salt.

Dissolve yeast and 1 tablespoon of sugar in the lukewarm milk. Add 3-4 cups flour. Beat well, cover and let rise 45 minutes in a warm place. Add butter and the brown sugar creamed, well beaten eggs, and about 1 1-4 cups flour, and the salt. Knead lightly and place in a greased bowl. Let rise about 2 hours. Roll 1-2 inch thick and place in well greased pan and let rise 1 1-2 hours. Score with diagonal lines, using a sharp knife; sprinkle with a mixture of cinnamon and sugar. Bake 20 minutes in a moderate oven.

In Fashion Now

Fashions for Spring are really exciting and the woman who likes to be well dressed at all times will have a delightful time making her selections.

Items which may be mentioned as necessities for the average wardrobe will certainly include a separate coat of medium-weight wool; a suit, tailored or dressy according to one's individual taste; an all-over print ensemble; several simple all-day dresses of sheer wool or plain crepes, and the necessary afternoon or evening frocks which vary according to the needs of each wearer.

Everything has "straight and slim" as its motto, with most of the new and refreshing details above the waist. Necklines are generally high with starchy little Eton collars, crisp Regency ruffs of lace, or of tandy, ruffled scarfs and mammoth bows placed directly under the chin or to one side.

Shirts are unadorned with a slendizing panel, with inset pleats at the side seams, or a section of low-posed pleats, front or back, or both.
