Typical Mountaineer Gives Some engage-you air goin' to pur the good pants of this here blessid country be four the people. That's what I lowed o my wife Mandy.

"Good Lord Amitey," sed she "didn't think this cuntry lead to be praised up in the papers-jest get folks to come here one time an' that'll

Now, I feel like Mandy bout it, . fokes air goin' to flock into theze here parts now az never befoar. Why base summer, Mr. Editur, we had cars from draost ever state in the I noon. With than I nele Abe ever expeckted to see an' now the grandes' roud of all bein' survade into our grate Smoky Mt. Park-Well, praze the Lord' I kaint deescribe it, seein' five not got mutch hook larnin but I ken feel it.

Yes, I've trampt an' fox-hunted nite ver them Balsam Mes, whar they say that grand Park road is a-goin' to be bilt. I've bin up that, Mr. Editur, an' cen the sun rize an' set-an' I jest vant to say that-

Sunrize in Haywood Co., lookt on from one o' theze pecks iz the most; bewtiful site I've ever seen!

Course. I've not traveled fur an' ide, but Uncle Abe, ethnt's what fokes calls me) haz bin bout a little in hiz day-North, east, south an west, an' sunrise in them that levil untries is not a drap in the buckil compaind with ourn-

Let me draw you a little picktur. Think of seem of Sol come up like big, red ball of far, an' peopin byhe top o' some distent peck on a mist ummer morn, the clowdy mists co erin' the valley's fur below you stretcht out like a grate sea before of sheep, mooin of cattle, barkin ; lawgs can offen be hyeard in the dete stillness below, but knint he seen No ook!-the sun is higher, the mists a fast disappeerin', an' soon farm house begin to show in the deep valleys an coves below. We haint got long to wait, the mists have entirely disappeered!

Now Look Agin :- whir a short while ago we could only see a vast exkspanse of cloud, there, strecht out Supervision is maintained over all public eating places coming under the N. C. State Board of Market and the public eating places coming under the ful Westurn North Carliny, the Land

Sometimes I git full, Mr. Editur, (No, not on corn liker, 'cauze t'ncle makes a feller want to write poitry, (6) The Health Department main- I told Mandy tuther day I jes felt like

"Pottry-fiddle sticks" sed she. takes there here polts and kompozers This service is used by the to write policy an' you aint nerry one. Well, you jest keep on with yore coin' out an' try

"Ketch yere deth of cold out thur,"

Enyway, I got my tablet an pencil

(Continued on page 4)

No better grazing lands can be found anywhere than are here in Haywood County. Thousands of doilars are brought into the county each year from the sale of sheep and livestock. The above is a typical grazing scene in Haywood.
