Our customers convinced us we should be in the tire business. They wanted to buy tires where they bought their cars. Not a bad idea, either, when you consider how much tires contribute to car safety and economy we have completed arrangements to handle genuine U. S. Royals, the tires especially engineered for your car ... the tires chosen as original factory equipment, not only by the makers of the cars we sell, but by the builders of a big majority of American automobiles.

In U.S. Royals you get proved plus value for your money. You get extra rufety and extra mileage ... more non-skid safety from the famous Cogwheel Tread ... more blowout protection from Safety-Bonded Cords, the Inverted Safety Breaker and the 3 Times Safer Anchor Bead ... and more mileage from tougher Tempered Rubber!

Drive in today and let us show you how U. S. Royals will save you money. Make as your headquarters for tires and tire service.
