>
> Jarvis: "Very well. We have not had much honey, but the bees have stung my mother-in-law twice."

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. . . "We have used Thedford's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home." writes Mrs. Perry Bicks, of Belton, Texas. "I take Black-Draught for billiousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results." a good, reliable laxative. Don't be BLACK-DRAUGHT

is. We want him to visit as many peraction of the boys and girls calves allowed and tomato growers as possible. The they who have not yet given the potato fields, too.

Growers who wish to have the County Agent and Mr. Niswonger visit or hald meetings at their places who did meetings at their places should let this office know immediates by. If you know others who may be ly. If you know others who may be interested, fell them about it.
