Central P. T. A. Has Christmas Meeting

The Central Elementary P. T. A. held the regular December meeting on Monday evening, which was featured by a program significant of the Christmas season. The stage was also graced with a lighted tree, and other seasonal decorations.

Mrs. Noble, general president, the meeting was opened with a song and a prayer by Rev. R. S. Truesdale, who made a talk over in the evening.

Reports were made regarding the successful operation of the cafeteria by Mrs. Arthur Schmalhofer and plans were formulated by which it will be possible to furnish lunches for the underprivileged children of the school.

Mrs. Jean Dillon gave a detailed report relative to the findings of the nurses and doctors in their examination of the pupils, after which she made several recommendations regarding the correction of conditions.

Following the business session the hospitality committee, of which Mrs. Humes Hart is chairman, took charge, and a social hour was enjoyed. Mr. Noble Garrett as Santa Claus distributed bags of candy to all in attendance.

Stupidity is almost a sure safeguard against lunacy, says science in an unusual article in the December 15 issue of the American Weekly, the big magazine which comes regularly with the BALTIMORE SUNDAY AMERICAN.

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. . . "We have used Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."
