# **Two Hundred Bethel Waynesville Girls** Students On Honor Win Tournament Roll For 6th Month Of B. R. Conference

Scholarship Shows Increase While Attendance Shows Decrease, 52 Make "A" Average

There was a slight decrease in attendance at Bethel school for the sixth month as compared with previous months. The scholarship record, on the other hand, shows a slight increase over previous months, being the best attained thus far. A total of 236 students made perfect attendance records; of this number seventy-four were high school students and 162 elementary students. Two hundred students made the honor roll; seventy-nine of these were high school students and 121 elementary students. Of the two hundred students making the honor roll, fifty-two made an average of A and 148 an average of B. Those making the A honor roll are

### G. O. P. List Borah and Landon

Republican teaders seem to have builed down their list of "wailable candidates for the presidential nomination to Senator Borah and Covernor Landon, it appearing that the Kansas Governor has the edge over, the veteran senator, as he has been given a clear majority in the thio troll.

Playing a consistent game of good basketball, Waynesville's great sixtet, represented by Welch, Burress, Rog-ers, Milner, Phillips, and Jones, marched to the head of the first Blue Ridge conference basketball tournament at Canton and brought to their chool Saturday night one of the most beautiful trophies to ever be won by a Mountaineer team.

Winning two games in their natural stride and playing under wraps, Coach Weatherby's girls found them-selves facing their ancient rival— Canton—for the final game Saturday night. Led by Captain Welch, the Mountaineers piled up thirty points to the opponents three in the first half, and went on to win an easy game by the final score of 40-15.

The local girls reached the finals by defeating Swannanoa 39-5 and Saluda-Tryon 26-13.

Coach Weatherby's team scored 105 points while their three opponents made only 33, thus stamping themelves as one of the greatest outfits to ever wear the Mountaineer uniforms.

Captain Sara Welch, clearly the out. standing player in the tournament, was high scorer with forty-seven points.

Messer, Raines, Wyatt, and Winkley played in all tournament games and deserve much credit for the splendid showing made by the Mountaineers. To win the tournament in the boys division, Swannanoa scored forty-six points to their opponents thirty-three, defeating Waynesville 19-3 Saluda-Tryon 17-9, and Canton 16-15. The Mountaineers were eliminated in their second game after they had defeated Biltmore 12-7. Suttles with

boys' games. Receiving outstanding mention in the tournament were Welch, Jones, Phillips, Burress, Smith, and Cathey of Waynesville, Suttles and Hoitzelaw of Canton, Jackson and Griffith of Biltmore, Patton and Vallincourt of Swannanoa, and Davis of Mars Hill. # Illinois Giant Approaches New Record

Robert Wadlow, 8 Feet 4 Inches Tall at 18, Nears Height of Famed Irish Giant; Youth Plans to Be Lawyer

#### By JEAN ALLEN

International Illustrated Noice Writer ALTON, 111 .- Now towering eight feet four inches, Robert Wadlow of Alton, Ill., who recently celebrated his 18th birthday, is assured of becoming the world's tallest man in history before his next birthday. Wadlow's nearest rival for the

distinction is the famed "Irish giant". Charles O'Brien, who measured eight feet four and one-half inches in height before he died in 1783 at the age of 23. If Wadlow reaches a height of eight feet five inches, which is almost certain before his next birthday on Feb. 22, 1937, he will have established a new record.

#### Youth Studying Law

Yet it is not a distinction to which the youth aspires. He is a shy retiring sort of chap who shuns the curiosity aroused by his height. He has refused numerous attractive offers from vaudeville and circuses although his family are only in modest circumstances.

Wadlow's ambition is to be a lawyer and live a life as near normal as his size permits. He is now a freshman at Shurtleff college in Alton and has an excellent scholastic record His choice of law as a career was determined by his belief that his size would handicap him least in that field.

Although he weighed only nine pounds at birth, Robert began to grow rapidly before he was a year old. His growth had been steady and gradual. During the past year he shot up four inches and is expected to grow two or three inches mor before his next birthday.

#### Wadlow Weighs 390

His proportions are in comparison to his height. He weighs 390 pounds wears a size 39 shoe, an eight and one-half hat and takes a coat with a sleeve length of nearly 60 inches. His wardrobe is far from a minor item in the Wadlow family budget since even a pair of shoes for Robert costs \$85.

Despite his size, however, young Wadlow lacks the strength one might popularly associate with a giant. dozen eggs, generous helpings of His rapid growth has not been accompanied by normal muscular coordination and development.
